C There are two lists. One for firms based in the UK, Channel Islands and Isle of Man. Another for firms based in the Republic of Ireland.

They are both in three parts:

1. Direct Insurers
2. Insurance Companies
3. Lloyd's Syndicates

D Please note that Lloyd's Syndicates can only be approached by Lloyds' brokers. The Insurance Companies also prefer to be approached by a broker except for those in the list of Direct Insurers.

E The designation 'Participating Insurer' is used for the purpose of the Professional Indemnity Insurance Regulations. The term is not to be taken as an indication that the Institute has performed independent checks as to the fitness, or continuing fitness, of an insurer to be included in the participating insurer list.

F You are advised to approach a specialist PI broker to obtain quotations for cover. Lloyd's syndicates can only be approached by Lloyd's brokers.
