BURSARIES FOR STUDENTS OF DEVELOPING
PROFESSIONAL ACCOUNTANCY QUALIFICATIONS

ICAEW Foundation's Building Futures bursary program provides much needed financial assistance to students of new professional accountancy qualifications in Malawi, Ghana, Lesotho and Cambodia.

ICAEW Foundation is committed to realising ICAEW's vision of *Creating a world of strong economies together*. Our bursaries are helping to create future accountancy professionals in countries where they can work to develop strong, accountable and open economies and investors can invest with more trust.

With the support of ICAEW members we can grow the number of countries we work in and the number of students we support.
