### **Personal introduction**

I trained with BDO in the days when it was still Stoy Hayward.

I am currently a sole practitioner and independent business consultant.

Other activities:

Trustee and Chairman of the Commonwealth Carnival of Music, a Diamond Jubilee charity which supports the performing arts of music and dance.

Member and former Trustee of the Parliament Choir, a charity which supports young musicians.

I was a member of the Magna Carta 800th Anniversary Commemoration Committee which co-ordinated the national and international programme of Magna Carta events in 2015.

### **Your involvement with ICAEW**

Member of Council seeking re-election.

Member of Main Committee of London Society of Chartered Accountants.

Have worked on Institute's International Focus Directing Group, Public Sector Advisory Board, Remuneration Committee and was the ICAEW observer on the Council of the Chartered Institute of Public Finance and Accountancy.

## **Motivation and ability to be a member of Council**

My primary concerns as a Council Member are promoting the value of our qualification and safeguarding the position of our institute as the premier accounting body.

These issues are what first motivated me to stand for our Council and are the reason I wish to serve you for another term.

## **Strategic focus**

I know from the years I spent working in various roles at another professional institute that the most important thing members want from their professional body is to promote the value of their qualification and the status of the institute which supports it.

That should be our goal. If you share my belief in the importance of promoting our qualification and the status of our Institute, I ask that you place your vote next to my name. Thank you.
