

Permitted Texts for exams in 2022

As part of the move to digital learning materials, the way you purchase your permitted texts may be different from previous years. When purchasing your ICAEW learning materials, you will receive most of the permitted texts for that module as part of a bundled purchase and will be able to view the publications in your ICAEW Bookshelf.

The IFRS® Standards set (3 vol) (Blue Book) must continue to be purchased as a hard copy directly from the IFRS Foundation.
