

# *Permitted Texts for exams in 2024*

## **New for 2024**

The IFRS blue book will now be available as an eBook for students to use alongside ICAEW learning materials, just like the other permitted texts.

## **How to order**

Visit [the bookstore](#) to purchase learning materials and permitted texts. You can use your ICAEW account login details to access the [ICAEW Bookshelf](#) via the Bibliu app or browser.

- [More information on the ICAEW Bookshelf](#)
- [Studying using digital permitted texts](#)

## **Access during exams**

For exams which allow a permitted text, a clean PDF will be available to use within the exam software.

For open book exams, there will be a link in the exam taking students to their personal ICAEW Bookshelf giving them access to all purchased ICAEW learning materials and permitted texts.

To see how this will look and function, remind students to use the practice software before their exam. Go to [www.icaew.com/examssoftware](http://www.icaew.com/examssoftware) to see how to access this.

The below tables show the costs per ICAEW module and what will be included in the purchase:
