

CPD Course Programme

2020/21

Welcome to your new online CPD Course
Programme for 2020/21

The South Essex Society’s Courses Committee meets annually to discuss the topics our courses should cover to be of the most help to you and your business. This season’s programme covers a wide range of topics, which we hope will help add value to your business and your clients’ businesses too.

For your 2020/21 CPD year we have been working with Mercia to ensure that you have the most flexible access to these courses and more at the best possible rates. For 2020/21 our courses will run in the 'Mercia Live' format that we have been using over the last few months, which will give you more choice and flexibility over the coming year when it comes to choosing dates that suit you. We hope to return to our usual venues for the 2021/22 year, or when it is safe to do so.

In addition to the dates listed on the programme, you'll find many more date options available to you by clicking on the titles you are interested in. Alternatively, you can browse Mercia's full suite of online Live events, including the wider programme of public events running outside the South Essex programme, at www.mercia-group.com/mercialive. Please note that courses outside the South Essex programme may be priced differently.

All course titles in the SESCO programme are priced at £66 per course when booked using the attached form, whether you opt for our suggested dates in the table below or one of the other date alternatives listed on Mercia's website (click each course title for details).

You'll find details on how to book towards the back of this brochure but if you'd like to discuss your training in more detail please contact our Regional Executive, Claire Eve on 01223 654 684 or a member of the Mercia Training team on 0330 058 7141.
