

Level 7 Accountancy Professional Apprenticeship

FUNDING AND FEES

The [Level 7 apprenticeship](#) funding cap has been set at £21,000. If you're a levy-payer, you can now claim back a maximum of £21,000 per apprentice. If you're a non-levy payer, the government will pay 95% of the cost of the apprenticeship, so all you have to contribute is the remaining 5%. This means that the maximum amount available to you from the government is £19,950.

You can find out more about funding an apprenticeship as a non-levy paying employer [here](#).
