

Beautiful business

Take the next step on your **Xero** learning journey

Add more value with Xero badges and certificates

Once you've completed your Xero Advisor Certification, the only question is 'what's next?'

These added options will extend your knowledge. For budding accountants and bookkeepers it's a great way to increase employability.

Practice tools

Course

Learn more

Payroll certification - 3.5 hours

Get certified in Xero Payroll. Learn how to set it up, add employees, and pay them accurately. Do daily tasks like managing timesheets and leave, then move to advanced actions like employee terminations

[Get payroll certified](#)

Set up and use Hubdoc - 35 mins

Connect a Xero organisation to Hubdoc to manage the financial documents. Upload statements and receipts for automatic data extraction, and set rules to send them to Xero as financial transactions

[Set up Hubdoc](#)

Managing Security - 30 mins

Explore the risks and realities of cybercrime for a small business or accounting practice. Discover some steps you can take today, to improve your online security.
