

# Obituaries and other biographical notes/profiles

Arranged by accountancy firm

September 2016

This index has been developed by the ICAEW Library & Information Service to help genealogists who are tracing their family history to find out more about ancestors who were accountants. It also provides tools to help researchers trying to find out more about the history of accountancy firms through the individuals associated with those firms.

The index was first published by the ICAEW Library & Information Service in January 2007 and will continue to be updated in the coming years.

## Sources

The index was created by LIS staff who volunteered their time to index the obituaries and photographs included in a number of journals within the collection of the ICAEW Library & Information Service. The sources used to compile the current edition were:

- A history of accountants in Ireland (ICAI, 1983)
- A hundred years of accountancy (Begbie, Robinson, Cox & Knight - 1938)
- Accountancy (1938-1965)
- Associated Accountants' Journal (1905-1927, except February 1914)
- Balance (1923-1925, except December 1925)
- Centenary, 1882-1982 (Birmingham and West Midlands Society of Chartered Accountants, 1982)
- British Accountants: A Biographical Sourcebook by Robert H. Parker (Arno Press, 1980)
- Contra Green - Chartered Accountant Students' Society of London (1965-1967)
- Dictionary of business biography- a biographical dictionary of business leaders active in Britain in the period 1860-1980 (Butterworths, 1984-1986)

- History of Accounting and Accountants, Appendix II (Ed. Richard Brown. Frank Cass & Co., 1968)
- Incorporated Accountants' Journal (1889-1938)
- Indian & Eastern Railway (October 1928-June 1929)
- Institute of Book-Keepers' Journal (1920-1947)
- Institute Newsletter and Information Bulletin (1964-1987)
- The Accountant (1874-1965)

- The Accountants' Magazine (1897-1947)
- The first hundred years (Sheffield & District Society of Chartered Accountants, 1977)

Page numbers in the index refer to the bound copies held by the ICAEW Library & Information Service and may differ from the collections of other Libraries.

## How do I obtain a copy of an obituary?

The ICAEW Library & Information Service provides a photocopying and fax service and photocopies can be supplied by post or fax. Entries are free for ICAEW members and permitted users, but for all other users a charge of £5 plus VAT applies per entry. Please contact the LIS enquiry team by telephone on +44 (0)20 7920 8620 or by e-mail at [library@icaew.com](mailto:library@icaew.com) if you would like to obtain a photocopy of an obituary or biographical note/profile.
