

Obituaries and other biographical notes/profiles

Arranged by surname

September 2016

This index has been developed by the ICAEW Library & Information Service to help genealogists who are tracing their family history to find out more about ancestors who were accountants. It also provides tools to help researchers trying to find out more about the history of accountancy firms through the individuals associated with those firms.

The index was first published by the ICAEW Library & Information Service in January 2007 and will continue to be updated in the coming years.

Sources

The index was created by LIS staff who volunteered their time to index the obituaries and photographs included in a number of journals within the collection of the ICAEW Library & Information Service. The sources used to compile the current edition were:

- A hundred years of accountancy (Begbie, Robinson, Cox & Knight - 1938)
- Accountancy (1938-1965)

How do I obtain a copy of an obituary?

The ICAEW Library & Information Service provides a photocopying and fax service and photocopies can be supplied by post or fax. Entries are free for ICAEW members and permitted users, but for all other users a charge of £5 plus VAT applies per entry. Please contact the LIS enquiry team by telephone on +44 (0)20 7920 8620 or by e-mail at library@icaew.com if you would like to obtain a photocopy of an obituary or biographical note/profile.
