Medical statement for examination access arrangements

This form should be completed by the medical practitioner who carried out the assessment for the student. The information will be considered as part of the evidence in support of an application for access arrangements relating to a medical condition.

Patient's name -select-

Date of assessment / /
DD MM YY

Because of the condition(s):

Which have the following functional affects:

I advise that the patient would benefit from the following access arrangements in examinations

This will be the case for or from / / to / /
DD MM YY DD MM YY

I will will not need to assess the patient for access arrangements again at the end of this period.

Doctor's signature

Date of statement / /
DD MM YY

Doctor's address and/or stamp

Notes:

ICAEW examinations range from 1.5 hour computer-based assessments to 4 hour paper-based exams. Please bear this in mind when recommending access arrangements and try to be as specific as possible.

Common access arrangements include:

- allowing extra time to complete the exam;
- allowing rest breaks during the exam;
- using a computer to complete the exam;
- use of a reader or a scribe in the exam;
- sitting in a particular area of the exam hall;
- providing the exam paper in an alternative format eg, braille; and
- use of special equipment during the exam eg, wrist support.
