Serious conviction allegations

- 13.1 Where, during an **assessment** or **investigation**, the **Conduct Department** identifies one or more **serious convictions** in relation to a **member, firm, affiliate** or **relevant person**, the **Conduct Department** may make enquiries of the **member, firm, affiliate** or **relevant person** to obtain relevant information regarding such **serious convictions** and shall report the **serious conviction(s)** as one or more **serious conviction allegations** in a **formal**

allegations report to the **Tribunals Committee** pursuant to **IDR 39.1**. In such circumstances, the **serious conviction allegation(s)** shall be treated for the purposes of these **IDRs** as if it, or they, had been referred formally by the **Conduct Committee** to the **Tribunals Committee** in accordance with **Disciplinary Bye-law 10.1(a)**.

- 13.2 Where the **member, firm, affiliate** or **relevant person** is at the same time the subject of:
- other **complaints** that are being assessed; and/or
 - other **conduct matters** that are being investigated; and/or
 - other **formal allegations** that are the subject of **disciplinary proceedings** before the **Tribunals Committee**,

the **Conduct Department** may suspend its **assessment** of those **complaints**, its **investigation** of those **conduct matters**, or the **disciplinary proceedings** in respect of the other **formal allegations**, pending the final determination of the **serious conviction allegation(s)** by a **Tribunal** or, if there is an **appeal**, by an **Appeal Panel**.

- 13.3 Where, following the final determination of the **serious conviction allegation(s)** by a **Tribunal** or an **Appeal Panel**:
- the **member** is excluded from membership of **ICAEW**; or
 - the **affiliate's** status is as an **affiliate** is withdrawn; or
 - the **relevant person's** status as a **provisional member** is withdrawn,
- the **Conduct Department** may apply to the **Conduct Committee** or the **Tribunals Committee** for some or all of the matters referred to in **IDR 13.2** to **lie on file** in accordance with **IDRs 21** and/or **38**.

- 13.4 Where, following the final determination of the **serious conviction allegation(s)** by a **Tribunal** or **Appeal Panel**, no **order** is made excluding the person from **ICAEW** membership or withdrawing their **affiliate** or **provisional member** status (as applicable), the **Conduct Department** shall re-start its **assessment** of any **complaints**, or its **investigation** of any **conduct matters**, or the **disciplinary proceedings** which were suspended in accordance with **IDR 13.2**.

Referrals under the Accountancy Scheme

- 14.1 If a **complaint** is assessed by the **Conduct Department** as giving rise to a potential liability to disciplinary action under the **Disciplinary Bye-laws** or the **Accountancy Scheme** pursuant to **IDR 12.1**, and the **Conduct Department** considers that it may be appropriate for the **complaint** to be dealt with under the terms of the **Accountancy Scheme**, the **Conduct Department** shall prepare a report summarising the facts and evidence relating to the **complaint** obtained during the **assessment** and shall provide it to the **Head of Committees and Tribunals** to place before the **Conduct Committee** as soon as reasonably practicable.
- 14.2 If, after considering the report from the **Conduct Department**, the **Conduct Committee** determines that the **complaint** should be referred to the Financial Reporting Council (or relevant successor body) under the terms of the **Accountancy Scheme**, it shall request the **Head of Investigation** to make the referral.
- 14.3 If the **Conduct Committee** determines that the **complaint(s)** should not be referred

under the **Accountancy Scheme**, or if the Financial Reporting Council (or relevant successor body) does not accept the referral, the **Conduct Committee** shall request the **Head of Investigation** to start an **investigation**.

Conciliation

- 15.1 If a **complaint** is assessed by the **Conduct Department** as giving rise to a potential liability to disciplinary action under the **Disciplinary Bye-laws**, and the **Head of Investigation** considers that:
- the **complainant** may be satisfied with a resolution which does not involve disciplinary action and the **member, firm, affiliate** or **relevant person** may consider such a resolution;
 - the **complaint** does not raise any wider issues regarding the conduct of the **member, firm, affiliate** or **relevant person** which require an **investigation** to be carried out, and/or **disciplinary proceedings** to be pursued, in the public interest, and
 - no **allegations** would be brought under **Disciplinary Bye-laws** 4.1(a) or 4.2(a) in any event,
- the **Conduct Department** may attempt to resolve the **complaint** by **conciliation**.
- 15.2 If the **conciliation** is successful, the **Conduct Department** shall take no further action with respect to the **complaint**.
- 15.3 If, at any time, the **Conduct Department** concludes that a **conciliation** will not be possible, the **Conduct Department** shall begin an **investigation** in accordance with **IDR** 12.1 with a view to determining whether any **allegations** should be reported to the **Conduct Committee** or dealt with by way of **fixed penalty**.

COOPERATION WITH ASSESSMENT/INVESTIGATION

- 16.1 If, while a **complaint** is being assessed or a **conduct matter** is being investigated, a **member, firm, affiliate** or **relevant person** (whether or not the subject of the **complaint** or **conduct matter**) fails to respond to requests by the **Conduct Department** for the production of **relevant information**, the **Head of Investigation** may serve a **notice** on that **member, firm, affiliate** or **relevant person** requiring the supply of such **relevant information** within 14 days of the date of service of the **notice** (or such longer period as may be specified) in accordance with **Disciplinary Bye-law** 8.
- 16.2 If a **member, firm, affiliate** or **relevant person** fails to comply with a **notice** served by the **Conduct Department** in accordance with **IDR** 16.1, the matter may be reported as an **allegation** to the **Conduct Committee**.
- 16.3 A **member, firm, affiliate** or **relevant person** shall not charge a **complainant** for time spent, or costs incurred, in responding to the **Conduct Department's** enquiries during its **assessment** of a **complaint** or its **investigation** of a **conduct matter**.

CONCLUSION OF AN INVESTIGATION

- 17.1 Save where the matter is dealt with under *IDRs* 13.1, 14.1 or 19.3, where, at the conclusion of an *investigation*, the *Conduct Department* considers that the test set out in *Disciplinary Bye-law* 5.1 has been met in respect of one or more *allegations* arising out of the *conduct matter*, it shall report those *allegations* to the *Conduct Committee* in accordance with *IDR* 20.
- 17.2 Where the *Conduct Department* considers that the test set out in *Disciplinary Bye-law* 5.1 has not been met in respect of any *allegations* arising out of a *conduct matter* investigated in accordance with *IDR* 12.1, the *Conduct Department* shall notify the *complainant* of its intention not to report such *allegations* to the *Conduct Committee*.
- 17.3 Where a *complainant* considers that some or all of the *allegations* referred to in *IDR* 17.2 should be considered by the *Conduct Committee*, the *complainant* shall notify the *Conduct Department* in writing within 28 days of the date of service of the *notice* under *IDR* 17.2 of their request for the *Conduct Committee* to consider the rejected *allegations*. Any request must set out why, in the *complainant's* opinion, the rejected *allegation(s)* give rise to a liability to disciplinary action under the *Disciplinary Bye-laws*.
- 17.4 After receiving *notice* pursuant to *IDR* 17.3, the *Conduct Department* shall report the rejected *allegation(s)* to the *Conduct Committee* in accordance with *IDR* 20 either on their own, or alongside other *allegations* where the *Conduct Department* considers the test set out in *Disciplinary Bye-law* 5.1 has been met. If more than 28 days have elapsed since the date of service of the *notice* under *IDR* 17.2, the rejected *allegation(s)* shall only be reported to the *Conduct Committee* if the *Head of Investigation* is satisfied that the *complainant* could not reasonably have been expected to respond to the *notice* within 28 days.
- 17.5 The *Conduct Department* shall notify the *member, firm, affiliate* or *relevant person* of the *allegations* that it intends to report to the *Conduct Committee*, including any rejected *allegations* which the *complainant* has asked to be considered by the *Conduct Committee* in accordance with *IDR* 17.3

Power to reopen a conduct matter after the closure of an investigation

- 18.1 The *Conduct Department* may reopen a *conduct matter* which has been closed following an *investigation* where the *Head of Investigation* has reason to believe that:
- the decision not to proceed with the *conduct matter* may have been materially flawed (for any reason); or
 - there is new information or evidence which may have led, wholly or partly, to a different decision; or
 - the *member, firm, affiliate* or *relevant person* concerned may have previously withheld relevant information; or
 - the *member, firm, affiliate* or *relevant person* concerned may have previously misled the *Conduct Department*; or
 - in the opinion of the *Head of Investigation*, further consideration of the *conduct matter* is necessary for the protection of the public or otherwise necessary in the public interest.

18.2 Where the **Conduct Department** decides to reopen a **conduct matter** pursuant to **IDR 18.1** it shall, as soon as reasonably practicable, notify the reasons for its decision to the **member, firm, affiliate** or **relevant person** who, or which, is the subject of the **conduct matter**, and any **complainant**.

When the Conduct Department may offer fixed penalties

- 19.1 Where, following an **investigation**, the **Conduct Department**:
- concludes the test set out in **Disciplinary Bye-law 5.1** is met in respect of a designated allegation; and
 - does not consider the test set out in **Disciplinary Bye-law 5.1** to be met in respect of any other **allegations**,
- the **Conduct Department** may, acting under powers delegated by the **Conduct Committee**, propose that the **designated allegation** be dealt with by the acceptance of a **fixed penalty** in accordance with **IDR 19.3**
- 19.2 Where the **Conduct Department** decides to propose a **fixed penalty** in respect of the **designated allegation**, it shall serve a **notice** on the **member, firm, affiliate** or **relevant person** specifying:
- the details of the **designated allegation**;
 - the terms of the proposed **fixed penalty**;
 - the period for compliance with the proposed **fixed penalty**; and
 - the extent to which the proposed **fixed penalty** may be published by **ICAEW**.
- 19.3 Where, within the period stated in the **notice** served pursuant to **IDR 19.2**, the **member, firm, affiliate** or **relevant person** confirms in writing their acceptance of the **fixed penalty**, the **fixed penalty** will become a final **order** and, where applicable, will be published and remain on the **ICAEW Disciplinary Database** for the period specified in the **ICAEW Disciplinary Database policy**.
- 19.4 Where the **member, firm, affiliate** or **relevant person** receiving a **notice** pursuant to **IDR 19.2** does not agree to the terms of the proposed **fixed penalty**, or does not respond to the **notice**, the **designated allegation** will be referred to the **Conduct Committee** in accordance with **IDR 22.1**.
- 19.5 Any financial penalty agreed under **IDR 19.3** may be paid by the **member, firm, affiliate** or **relevant person** by way of instalments with the agreement of the **Head of Investigation**.

REPORTING ALLEGATIONS TO THE CONDUCT COMMITTEE

Preparation of a conduct report

- 20.1 Where, following an **investigation**, the **Conduct Department** considers that one or more **allegations** arising out of a **conduct matter** meet the test set out in **Disciplinary Bye-law 5.1**, the **Conduct Department** shall prepare a **conduct report** and shall provide a copy of such report to the **member, firm, affiliate** or **relevant person** who, or which, is the subject of the **allegation(s)** prior to the **conduct report** being considered by the **Conduct Committee**. The **Conduct Department** shall also inform the **member, firm, affiliate** or

relevant person of the costs incurred in investigating the **conduct matter**, which costs shall be notified to the **Conduct Committee**.

- 20.2 Where the **member, firm, affiliate** or **relevant person** wishes to make written representations on the **conduct report** for consideration by the **Conduct Committee**, the **member, firm, affiliate** or **relevant person** shall provide such written representations to the **Conduct Department** within 14 days of service of the **conduct report** or such extended period as may be agreed by the **Conduct Department**.
- 20.3 Subject to **IDR 20.4**, after the expiry of 14 days, or any extended period agreed by the **Conduct Department** pursuant to **IDR 20.2**, the **Conduct Department** shall provide to the **Head of Committees and Tribunals** copies of the following documents:
- a. the **conduct report**,
 - b. any relevant written representations received in accordance with **IDR 20.2** from the **member, firm, affiliate** or **relevant person**; and
 - c. any relevant written representations received from the **complainant** (if applicable),
- and the **Head of Committees and Tribunals** shall arrange for these documents to be considered by the **Conduct Committee** as soon as reasonably practicable.
- 20.4 Where the **Conduct Department** makes any substantive revisions to the **conduct report** after receipt of any written representations, it shall provide a copy of the revised **conduct report** to the **member, firm, affiliate** or **relevant person** who shall have 14 days from the date of service of the **conduct report** (or such extended period as may be agreed by the **Conduct Department**) to make any further representations before the revised **conduct report** is submitted to the **Head of Committees and Tribunals**.

Application to the Conduct Committee for complaints or conduct matters to lie on file

- 21.1 Where the **Conduct Department** identifies either:
- a. at the start of an **assessment** that a person against whom a **complaint** is made has been excluded or has had their **affiliate** or **provisional member** status withdrawn; or
 - b. during the **assessment** or an **investigation** that the person who is the subject of the **complaint** or **conduct matter** has been excluded from **ICAEW** membership or has had their **affiliate** or **provisional member** status withdrawn,
- the **Conduct Department** may submit an application to the **Conduct Committee** requesting the **Conduct Committee** to allow the **complaint** or **conduct matter** to **lie on file**. Such application shall confirm the current status of the **assessment** or **investigation** and shall follow the process set out in **IDRs 21.2** and **21.3**.
- 21.2 An application made in accordance with **IDR 21.1** must be made in writing and a copy provided to the **member, affiliate** or **relevant person** who is the subject of the **complaint** or **conduct matter**, and any **complainant**, who shall each have 14 days from the date of service of the application to make written representations. Upon the expiry of 14 days, or the receipt of representations from all persons served with a copy of the application (whichever is the earlier), the **Head of Committees and Tribunals** shall provide all relevant documents

to the **Conduct Committee** to determine whether the **complaint** or the **conduct matter** should **lie on file**.

- 21.3 Where the **Conduct Committee** determines that a **complaint** or a **conduct matter** should **lie on file**, its decision shall be notified to the **member, affiliate** or **relevant person**, and any **complainant**, and no step shall be taken to assess the **complaint** or investigate the **conduct matter** unless, or until, an application is made by the **Head of Investigation** to the **Conduct Committee** to review the **complaint** or **conduct matter** lying on file (following a **readmission / re-registration application** made by the former **member, former affiliate** or former **relevant person**).
- 21.4 Where an application is made by the **Head of Investigation** to the **Conduct Committee** to review **complaints** and/or **conduct matters** lying on file, a copy of the application (indicating whether the **Head of Investigation** considers that any or all of the **complaints** and/or **conduct matters** should be re-opened) and any supporting documents shall be provided by the **Head of Committees and Tribunals** to:
- a. the former **member, former affiliate** or former **relevant person** who is the subject of the **complaints** and/or the **conduct matters** lying on file; and
 - b. any **complainant** connected to such **complaints** and/or **conduct matters**, who shall both have 14 days from the date of service of the application to provide any representations in writing to the **Head of Committees and Tribunals** prior to the application for review being considered by the **Conduct Committee**.
- 21.5 In considering the application for review, the **Conduct Committee** shall take into account the **Head of Investigation's** submissions and any representations made by the former **member, former affiliate** or former **relevant person**, and by any **complainant**, before determining whether any or all **complaints** and/or **conduct matters** should be re-opened.
- 21.6 The **Conduct Committee** shall order that all **complaints** and/or **conduct matters** lying on file shall be re-opened unless it considers that reopening any or all of the **complaint(s)** and/or **conduct matter(s)** is not in the public interest, or if it considers that there are exceptional circumstances justifying the closure of any or all of the **complaints** and/or **conduct matters** lying on file. Where an **order** is made to close any of the **complaints** and/or **conduct matters** lying on file, no further action shall be taken in respect of those matters unless they are re-opened in accordance with **IDRs** 11 and/or 18.
- 21.7 Where the **Conduct Committee** orders that the **complaints** or **conduct matters** lying on file be re-opened, they shall be dealt with in accordance with the **IDRs**.

CONSIDERATION BY THE CONDUCT COMMITTEE

- 22.1 On receipt of a **conduct report**, the **Conduct Committee** shall consider whether the test set out in **Disciplinary Bye-law** 5.1 is met in respect of the **allegation(s)**. Before making any determination, the **Conduct Committee** shall satisfy itself that the **member, firm, affiliate** or **relevant person** who, or which, is the subject of the **allegation(s)**, has been given an opportunity to make written representations to the **Conduct Committee** (and, if this has not been the case, the **Conduct Committee** shall defer its consideration of the **conduct report** to allow this to happen).

- 22.2 Where the **Conduct Committee** finds that the test set out in **Disciplinary Bye-law** 5.1 is met in respect of one or more of the **allegations** against the **member, firm, affiliate** or **relevant person**, it may, having had regard to the **Guidance on Sanctions** and the **disciplinary record** (if any) of the **member, firm, affiliate** or **relevant person**, do one of the following:
- a. refer such **allegation** or **allegations** to the **Tribunals Committee** for **hearing** as a **formal allegation** or **formal allegations** in accordance with **Disciplinary Bye-law** 10.1(a); or
 - b. propose a **consent order** in accordance with **Disciplinary Bye-law** 10.1(b) in respect of all **allegations** for which it finds the test set out in **Disciplinary Bye-law** 5.1 to be met; or
 - c. adjourn its consideration of the **allegation(s)** in accordance with **Disciplinary Bye-law** 10.1(c).
- 22.3 Where the **Conduct Committee** is considering more than one **allegation** and determines to refer any one **allegation** to the **Tribunals Committee** pursuant to **IDR** 22.2(a), it must refer all **allegations** for which it finds the test set out in **Disciplinary Bye-law** 5.1 to be met.
- 22.4 Where the **Conduct Committee** finds that the test set out in **Disciplinary Bye-law** 5.1 has not been met in respect of any **allegations** reported to it by the **Conduct Department**, it shall, subject to its power to re-examine the **allegation(s)** in **Disciplinary Bye-law** 10.3, dismiss any such **allegations** in accordance with **Disciplinary Bye-law** 10.2.
- 22.5 The **Head of Committees and Tribunals** shall prepare a written record of the **Conduct Committee's** decision on the **allegation(s)** and shall provide it as soon as practicable to the **member, firm, affiliate** or **relevant person** who, or which, is the subject of the **allegation(s)**, the **Conduct Department** and any **complainant**.
- 22.6 In considering the **allegation(s)** the **Conduct Committee** may, at its discretion, treat as evidence any witness statements or written representations of the **member, firm, affiliate** or **relevant person** and the rules of judicial evidence will not apply.
- 22.7 No objections shall be upheld to any technical fault in the procedure of the **Conduct Committee**, nor in any decision by the **Conduct Committee** or terms of any **order** issued by it, provided that the proceedings are fair and the relevant **Disciplinary Bye-laws** and **IDRs** have been observed.

Referrals to the Tribunals Committee

- 23.1 Save for referrals set out in **IDR** 23.2, where the **Conduct Committee** determines in accordance with **Disciplinary Bye-law** 10.1(a) to refer one or more **allegations** as **formal allegations** to the **Tribunals Committee**, the **Conduct Department** shall have conduct of the **disciplinary proceedings** before the **Tribunals Committee** (and in any **appeal** before the **Appeal Committee**).
- 23.2 Where the **Conduct Committee** determines to refer one or more **allegations** as **formal allegations** to the **Tribunals Committee** contrary to any of the recommendations of the

Conduct Department in the **conduct report**, the **Conduct Committee** shall have conduct of the **disciplinary proceedings** before the **Tribunals Committee** (and in any **appeal** before the **Appeal Committee**).

Consent orders

- 24.1 Where the **Conduct Committee** determines to offer a **consent order** in accordance with **Disciplinary Bye-law** 10.1(b), it shall serve on the **member, firm, affiliate** or **relevant person** who, or which, is the subject of the **allegation(s)**, a **notice** setting out the **allegations** for which the **Conduct Committee** has found the test in **Disciplinary Bye-law** 5.1 to be met, and which describes the action which it proposes to take, and the **order** it would make, in the event that the **member, firm, affiliate** or **relevant person** agrees to the proposed action.
- 24.2 A **notice** served under **IDR** 24.1 must:
- a. explain how the **consent order** would be published (if applicable); and
 - b. make clear that, if the **member, firm, affiliate** or **relevant person** does not agree in writing to the proposed action within 28 days of the date of service of that **notice**:
 - i. all **allegations** for which the **Conduct Committee** has found the test set out in **Disciplinary Bye-law** 5.1 to be met will be referred without further consideration by the **Conduct Committee** to the **Tribunals Committee** as **formal allegations**; and
 - ii. in such circumstances, the **Tribunals Committee** would have the power to make any of the applicable **orders** specified in **Disciplinary Bye-law** 11 if it were to find such **formal allegation(s)** proved.
- 24.3 Where the **member, firm, affiliate** or **relevant person** agrees in writing to the terms of the **Conduct Committee's** proposed **consent order** before the expiry of 28 days from the date of service of the **notice**, the **Head of Committees and Tribunals** shall issue the **order** on behalf of the **Conduct Committee** and the **consent order** shall take effect after 7 days from the date of the service of the **order** on the **member, firm, affiliate** or **relevant person**. The **Head of Committees and Tribunals** shall also serve a copy of the **consent order** on any **member, firm, affiliate** or **relevant person** who, or which, is the subject of a **conduct matter**, or **allegations** or **formal allegations** arising from the same **event** or **events**.
- 24.4 Where the **member, firm, affiliate** or **relevant person** accepts the **finding** made by the **Conduct Committee** but does not accept the **sanction(s)** and/or the amount of costs to be paid in the proposed **consent order**, the **member, firm, affiliate** or **relevant person** may, within 28 days of the date of service of the **notice**, make written representations to the **Head of Committees and Tribunals** as to why the **Conduct Committee** should either reduce the proposed **sanction(s)** and/or the amount of costs or make an **order** for no further action.
- 24.5 Where the **Head of Committees and Tribunals** receives written representations in accordance with **IDR** 24.4, the **Head of Committees and Tribunals** shall provide copies of such written representations to the **Conduct Department** which, if it wishes to respond to the written representations, must provide any response within 28 days to the **Head of Committees and Tribunals** and to the **member, firm, affiliate** or **relevant person**.

- 24.6 After the expiry of 28 days, or the receipt of a response from the **Conduct Department** (if earlier), the **Head of Committees and Tribunals** shall arrange for the written representations and any response from the **Conduct Department** to be considered by the **Conduct Committee** as soon as reasonably practicable. The **Conduct Committee** shall then determine its final offer of a **consent order** to the **member, firm, affiliate or relevant person**.
- 24.7 Where the **member, firm, affiliate or relevant person** either rejects the proposed **consent order** or fails to respond to the offer of a **consent order** within 28 days from the date of service of the **notice** pursuant to **IDR 24.1**, the **Conduct Committee** shall refer the **allegation(s)** as **formal allegation(s)** to the **Tribunals Committee** in accordance with **Disciplinary Bye-law 10.1(a)**.
- 24.8 **IDRs 58.1(b), 58.5 and 58.6** (time limits for the payment of financial penalties, financial payments and costs) shall apply in relation to any financial penalty, financial payment or costs imposed by a **consent order** of the **Conduct Committee** made in accordance with **Disciplinary Bye-laws 10.1(b)** as it applies in relation to a financial penalty, financial payment or costs imposed by an **order** of a **Tribunal** (save that the reference in **IDR 58.1(b)** to the date of service of the **Tribunal's record of decision** shall be taken to refer to the date of the **consent order**).

Adjournments

- 25.1 If the **Conduct Committee** adjourns its consideration of the **allegation(s)** in accordance with **Disciplinary Bye-law 10.1(c)**, it shall instruct the **Conduct Department** to report to it on the progress of such matters at prescribed intervals. Such monitoring may include enquiries of third parties as well as of the **member, firm, affiliate or relevant person** who, or which, is the subject of the **allegation(s)**.

Remedial orders and fee disputes

- 26.1 If the **Conduct Committee** is asked for directions in the event of a dispute as to the fees payable to another person or **firm** to complete work which the **member, firm, affiliate or relevant person** was engaged to perform pursuant to **Disciplinary Bye-law 11.1(a)(xi), 11.1(b)(x), 11.1(c)(xi) or 11.1(d)(xiii)**, the **Conduct Committee** may determine the amount payable.

Publication of consent orders of the Conduct Committee

- 27.1 Subject to **IDR 27.2**, a **consent order** of the **Conduct Committee** shall be published as soon as practicable once it has taken effect under **IDR 24.3**.
- 27.2 Where the **Conduct Committee** determines in respect of one or more **allegations** that the **member, firm, affiliate or relevant person** be cautioned, or that no further action be taken in respect of the **allegations**, the **consent order** shall only be published where the **Conduct Committee** so directs.

- 27.3 The **Conduct Committee** may order that publication of the **consent order** be delayed where, in the opinion of the **Conduct Committee**, delay is necessary in the public interest. In determining the timing of publication, the **Conduct Committee** may have regard to any written representations of the **member, firm, affiliate** or **relevant person**, or any other **member, firm, affiliate** or **relevant person** who, or which, has been served with a copy of the **consent order** under **IDR 24.3**, which are filed within 7 days beginning with the date of service of the **consent order**, and the **Conduct Committee** shall make a decision on publicity once the period for representations has passed.
- 27.4 Unless the **Conduct Committee** otherwise directs, the published **consent order** shall state the name of the **member, firm, affiliate** or **relevant person**, the **bye-law** and/or regulation under which the **allegation(s)** were brought, the **order(s)** made against them and a statement that the **order(s)** were made with the agreement of the **member, firm, affiliate** or **relevant person**. The published **consent order** need not include the name of any other person or body concerned in the **allegation(s)**.
- 27.5 Where published, a **consent order** of the **Conduct Committee**, or **fixed penalty** issued by the **Conduct Department** under powers delegated by the **Conduct Committee**, shall remain on the **ICAEW Disciplinary Database** for the period specified in the **ICAEW Disciplinary Database policy**.

COMPLAINANT'S RIGHT TO REQUEST A CASE FILE REVIEW

- 28.1 Where the **Conduct Committee** finds that the test set out in **Disciplinary Bye-law 5.1** is not met in respect of any **allegation** against the **member, firm, affiliate** or **relevant person**, a **complainant** may apply to the **Head of Committees and Tribunals** for a **case file review** in respect of the dismissed **allegation(s)** within 28 days of the date of service of **notice** of the **Conduct Committee's** decision.
- 28.2 Where an application has been made within the time specified under **IDR 28.1**, the Head of Committees and Tribunals shall:
- inform the **member, firm, affiliate** or **relevant person** who, or which, is the subject of the **allegation(s)** that an application has been made for a **case file review** and that the **allegation(s)** may need to be re-examined by the **Conduct Committee** depending on the outcome of the **case file review**;
 - request the **Conduct Committee Chair** to approve the appointment of a **reviewer** from the **reviewer pool** to carry out a **case file review** as soon as reasonably practicable; and
 - request the **Head of Investigation** to provide access to the relevant **case file** for a **case file review** to be carried out by the **reviewer**.
- 28.3 Where an application is made after the expiry of the period specified under **IDR 28.1**, the **Head of Committees and Tribunals** shall only permit the application to proceed if the **Head of Committees and Tribunals** is satisfied that there is a good reason why it was not reasonably practicable for the **complainant** to make the application within the specified period.

- 28.4 The **case file review** shall consider whether, in respect of any **allegations** dismissed by the **Conduct Committee**:
- a. there has been a failure by the **Conduct Department** to investigate any relevant **event** raised by a **complainant** during the **investigation**, or a failure to follow up any other relevant line of enquiry known to the case manager during the **investigation**, which is likely to have produced information or evidence supporting a finding of liability to disciplinary action; and/or
 - b. relevant information and/or evidence on the **case file** was not included with the **conduct report** which is likely to have altered the **Conduct Committee's finding(s)** in respect of the **allegation(s)** had it been included; and/or
 - c. there has been a failure by the **Conduct Department** and/or the **Conduct Committee** to follow the procedure specified in the **IDRs** for investigating the **conduct matter**, or considering the **allegations**, and the **Conduct Committee's** consideration of the **allegations** is likely to have been prejudiced by that failure, and, after completing the **case file review**, the **reviewer** shall provide their **review report** to the **Conduct Committee Chair**, the **complainant** and the **member, firm, affiliate** or **relevant person** who, or which, is the subject of the **allegation(s)**.
- 28.5 Where the **review report** identifies no concerns in respect of **IDRs** 28.4(a), 28.4(b) and 28.4(c), the **Conduct Committee Chair** shall request the **Head of Committees and Tribunals** to inform the **complainant** and the **member, firm, affiliate** or **relevant person** that the **case file** will be closed.
- 28.6 Where the **review report** identifies one or more failures or omissions in respect of the matters set out in **IDRs** 28.4(a), 28.4(b) and 28.4(c), the **Conduct Committee Chair** shall request the **Head of Investigation** to remedy such failures or omissions (carrying out such additional **investigation** work as may be required) and to prepare a **supplemental conduct report** which shall:
- a. specify any additional **investigation** work that was carried out pursuant to **IDR** 28.4(a) and include any relevant information and/or evidence identified as a result of such additional **investigation** work; and/or
 - b. include any additional information and/or evidence that was omitted from the original **conduct report** and identified pursuant to **IDR** 28.4(b); and/or
 - c. confirm that any procedural failures identified pursuant to **IDR** 28.4(c) have been rectified and include any relevant information and/or evidence identified as a result of such rectification work, and
- the **supplemental conduct report** shall specify the **Head of Investigation's** conclusions as to whether the test set out in **Disciplinary Bye-law** 5.1 has been met in respect of the dismissed **allegation** or **allegations** in the light of any new information and/or evidence contained in the report.
- 28.7 The **Head of Investigation** shall provide a copy of the **supplemental conduct report** prepared pursuant to **IDR** 28.6 to the **member, firm, affiliate** or **relevant person**, and the **complainant**, who shall each have 28 days from the date of service of the report (or such longer period as may be agreed by the **Head of Investigation**) to make written representations on the **supplemental conduct report** before it is placed before the **Conduct Committee** by the **Head of Committees and Tribunals** for re- examination.

28.8 Where, after considering the **supplemental conduct report** pursuant to **IDR 28.7**, the **Conduct Committee** determines that the test set out in **Disciplinary Bye-law 5.1** is still not met in respect of the dismissed **allegation(s)**, the **Conduct Committee** shall request the **Head of Committees and Tribunals** to:

- a. provide a summary of the **Conduct Committee's** conclusions to the **complainant** and the **member, firm, affiliate** or **relevant person** as to why the test set out in **Disciplinary Bye-law 5.1** has not been met; and
- b. inform the **complainant** and the **member, firm, affiliate** or **relevant person** that the **case file** will be closed.

28.9 Where, after considering the **supplemental conduct report**, the **Conduct Committee** finds that the test set out in **Disciplinary Bye-law 5.1** has been met in respect of one or more of the dismissed **allegation(s)**, it shall deal with such **allegation(s)** in accordance with **IDR 22.2**.

28.10 A **complainant** shall not be permitted to request more than one **case file review**.

RECONSIDERATION BY THE CONDUCT COMMITTEE OF ALLEGATIONS ALREADY REFERRED TO THE TRIBUNALS COMMITTEE

29.1 Following the referral of one or more **formal allegations** by the **Conduct Committee** to the **Tribunals Committee**, but prior to the first **hearing** (whether this be a **case management hearing** or a **final hearing**), the **Head of Investigation** may make an **application for reconsideration** to the **Conduct Committee** in accordance with **Disciplinary Bye-law 10.4** in respect of any **allegation** previously referred to the **Tribunals Committee** as a **formal allegation** on the basis that:

- a. the **Conduct Committee** should reconsider whether the test set out in **Disciplinary Bye-law 5.1** has been met in respect of the referred **allegation** or **allegations**, or should reconsider whether the referred **allegation** or **allegations** should be dealt with instead by way of a **consent order**; and/or
- b. the **Conduct Committee** should consider a request to amend the wording of one or more of the referred **allegations**; and/or
- c. the **Conduct Committee** should consider whether, based on the available evidence, an additional **allegation** or **allegations** should be included with the referred **allegations** against the **member, firm, affiliate** or **relevant person** where such **allegations** arise out of the same **event** or **events**,

and, for the purposes of this **IDR 29.1**, 'available evidence' includes any new information and/or evidence of a material nature that has been identified since the referral of the **formal allegation(s)** to the **Tribunals Committee**.

29.2 An **application for reconsideration** must be served by the **Head of Investigation** on the **Head of Committees and Tribunals** and the **member, firm, affiliate** or **relevant person** who, or which, is the subject of the **formal allegation(s)**, and the **member, firm, affiliate** or **relevant person** shall have 14 days from the date of service of the application to provide any written representations to the **Head of Investigation** and the **Head of Committees and Tribunals**.

- 29.3 After the expiry of the period specified in **IDR 29.2**, or the receipt of written representations from the **member, firm, affiliate** or **relevant person** (if earlier), the **Head of Committees and Tribunals** shall place the **application for reconsideration** and any representations before the **Conduct Committee** as soon as reasonably practicable.
- 29.4 After considering an **application for reconsideration**, the **Conduct Committee** shall determine whether any **allegations** previously referred to the **Tribunals Committee** as **formal allegations** should be recalled in order to:
- a. dismiss the **allegation(s)** in accordance with **Disciplinary Bye-law 10.2**;
 - b. propose a **consent order** in respect of the **allegations** (to be dealt with in accordance with **IDR 24**);
 - c. amend the wording of one or more **allegations** before re-referring the **allegations** as **formal allegation(s)** to the **Tribunals Committee**; and/or
 - d. refer an additional **allegation** or **allegations** arising out of the same **event** or **events** (which meet the test in **Disciplinary Bye-law 5.1**) for consideration at the same time by the **Tribunals Committee**.

INTERIM ORDER APPLICATIONS

- 30.1 At any time during an **investigation** of a **conduct matter**, or between the referral of one or more **formal allegations** to the **Tribunals Committee** and the **final hearing** (or **sanctions hearing**), the **Conduct Department** may make an application to the **Tribunals Committee** for an **interim order** to be imposed against a **member, affiliate** or **relevant person** in accordance with **Disciplinary Bye-law 11.5**.
- 30.2 A **Tribunal** may make an **interim order** against a **member, affiliate** or **relevant person** pursuant to **Disciplinary Bye-law 11.5** where it is satisfied that there is a risk of significant harm to the public (or a section thereof) if an **interim order** is not made pending the final determination of the **allegation(s)** or **formal allegation(s)** by a **disciplinary committee**.
- 30.3 The **Conduct Department** shall serve copies of its **interim order application** on both the **member, affiliate** or **relevant person**, and the **Head of Committees and Tribunals**, and the **interim order application** shall set out the basis on which the application is made and include any supporting evidence.
- 30.4 As soon as practicable after being served with an **interim order application**, the **Head of Committees and Tribunals** shall request the **Tribunals Committee Chair** to appoint a **Tribunal** and shall proceed to fix a date for the **interim order application** to be considered by the **Tribunal**.
- 30.5 Except in very urgent cases, the **Head of Committees and Tribunals** shall provide the **parties** with at least 14 days' **notice** of the date, time, location or format of the **hearing**, and the **member, affiliate** or **relevant person** shall have the opportunity to serve representations and evidence in response to the **interim order application** at least 7 days prior to the date set for the **hearing**.

30.6 Where the **Conduct Department** requests an urgent **hearing** date, and the **member, affiliate** or **relevant person** has had less than 14 days' **notice** of the date of the **hearing**, the **Tribunal** shall, at its first **hearing** of the **interim order application**, consider whether the **hearing** should be adjourned with **directions**, or whether the **hearing** should proceed, taking into account the impact of the short **notice**, the reasons for the urgency and any prejudice that may be caused to the **member, affiliate** or **relevant person** in hearing the **interim order application** on that date.

Conduct of hearings of interim order applications

31.1 An **interim order application** shall be heard in private, either in person or via video conferencing, and there shall be no advance publicity of the **hearing**.

31.2 A **Tribunal** convened to consider an **interim order application** may proceed in the absence of the **member, affiliate** or **relevant person** provided that it is satisfied that:

- a. **notice** of the **hearing** was served on the **member, affiliate** or **relevant person** as required by these **IDRs**; and
- b. no adequate explanation has been provided by the **member, affiliate** or **relevant person** for their non-attendance and/or it is in the public interest to proceed in any event.

31.3 If a **member, affiliate** or **relevant person** does not attend at the **hearing** but provides the **Tribunal** instead with written representations, the **Tribunal** may take into account those written representations in determining whether the test for an **interim order** set out in **IDR** 30.2 has been met.

31.4 The **Tribunal** may at any time during the **hearing**:

- a. deliberate in the absence of the **parties**;
- b. determine that the **hearing** of the **interim order application** be adjourned for such period and with such directions as it considers appropriate.

31.5 Unless the **Tribunal** otherwise directs, the order of proceedings shall be as follows:

- a. the **Conduct Department representative** shall explain the basis upon which the **interim order application** is made and shall refer the **Tribunal** to any relevant documents or evidence;
- b. the **member, affiliate** or **relevant person** (or their **representative**) shall then have an opportunity to respond to the application, referring the **Tribunal** to any relevant documents or evidence;
- c. no person shall give oral evidence unless this is permitted by the **Tribunal** (if permission is given, both **parties** and the **Tribunal** may ask questions of any witness); and
- d. both **parties** may make closing submissions to the **Tribunal** with the **member, affiliate** or **relevant person** speaking last.

31.6 A **Tribunal** may not make any finding that the test set out in **Disciplinary Bye-law** 5.2 is, or is not, or may be, met in relation to any **conduct matter**, or any **allegations** or **formal allegations** made against the **member, affiliate** or **relevant person**, or any finding of fact which would be capable of forming the basis for any such finding.

- 31.7 Due to the urgent nature of **interim order** proceedings, a **Tribunal** shall announce its decision at the conclusion of the **hearing** (including any period for deliberations) and shall give reasons for its decision, save where it is impossible to do so, in which case it shall announce its decision and give its reasons as soon as practically possible thereafter.

Orders by a Tribunal after considering an interim order application

- 32.1 A **Tribunal** may make an **interim order** against the **member, affiliate** or **relevant person**, in accordance with **Disciplinary Byelaw** 11.5, where it finds the test set out in **IDR** 30.2 to be met.
- 32.2 The **Tribunal** shall specify in the **interim order** the intervals at which the **interim order** shall be reviewed (which shall be no longer than 6 months) and any **interim order** made in accordance with **IDR** 32.1 shall remain in force until such time as:
- it is the subject of a successful **appeal**; or
 - it is discharged by a **Tribunal** following a **review hearing** or an **expedited review**; or
 - a final **order** is made in relation to the **member, affiliate** or **relevant person** in respect of the **allegations** or **formal allegations** to which the **interim order** relates (whether by the **Conduct Committee**, a **Tribunal** or an **Appeal Panel**).
- 32.3 An **interim order** shall have immediate effect where the **member, affiliate** or **relevant person**, or their **representative**, is present at the **hearing**. If the **member, affiliate** or **relevant person** is not present at the **hearing**, **notice** of the decision and of any **interim order** shall be provided on the day of the **hearing**, or as soon as practicable thereafter, and any **interim order** shall take effect on service of the **notice** on the **member, affiliate** or **relevant person**.
- 32.4 Where a **Tribunal** makes an **interim order**, it may make a **costs order** against the **member, affiliate** or **relevant person** in such sum as the **Tribunal** considers appropriate. Prior to making any **costs order**, the **Tribunal** shall:
- hear and consider submissions from both **parties** in respect of the amounts set out in any **costs schedule** which has been provided by the **Conduct Department representative** to the **Head of Committees and Tribunals** and the **member, affiliate** or **relevant person** prior to the **hearing**; and
 - hear submissions from both **parties** on any statement of means which has been provided in advance of the **hearing** by the **member, affiliate** or **relevant person** to the **Head of Committees and Tribunals** and the **Conduct Department representative**, and any supporting evidence (including a signed statement of truth) provided in respect of their income and assets.
- 32.5 Where a **Tribunal** determines not to make an **interim order**, the **Tribunal** may, on the application of the **member, affiliate** or **relevant person**, make a **costs order** against **ICAEW** subject to **IDRs** 32.6 and 32.7.
- 32.6 In determining whether to make a **costs order** under **IDR** 32.5, a **Tribunal** shall take into account the public policy applied in the civil courts that costs awards should only be made against a regulator in exceptional circumstances to safeguard against the risk that the

regulator may be fettered in exercising its disciplinary functions due to the risk of adverse costs orders.

32.7 If the **Tribunal** considers that it is appropriate to make a **costs order** against **ICAEW**, any **costs order** shall be limited to £10,000 unless the **Tribunal** determines that:

- a. no reasonable regulator would have made such an **interim order application**; or
- b. that the **interim order application** was made in bad faith; or
- c. the way in which the **Conduct Department** conducted the **interim order application** unreasonably increased the costs incurred by the **member, affiliate** or **relevant person** above £10,000; or
- d. the absence of a larger **costs order** against **ICAEW** would give rise to significant hardship for the **member, affiliate** or **relevant person**.

32.8 Where the **Tribunal** determines to make a **costs order** against **ICAEW**, it shall give the **Conduct Department representative** and the **member, affiliate** or **relevant person** (or their **representative**) an opportunity to make representations on the amount of costs claimed by the **member, affiliate** or **relevant person** before determining the amount to be paid by **ICAEW** by way of costs.

32.9 The **Head of Committees and Tribunals** shall provide the **parties** with a copy of the **order** and the **record of decision** of the **Tribunal** as soon as reasonably practicable after the **hearing**.

Publication of interim orders

33.1 Any **interim order** made in accordance with **Disciplinary Bye-law** 11.5 shall be published as soon as practicable following the **hearing** unless the **Tribunal** identifies exceptional circumstances supporting non-publication.

33.2 Where the **interim order** is published before the expiry of the 28 days within which a **notice of appeal** may be filed pursuant to **IDR** 70.1 any publication shall make clear that the **interim order** may be subject to **appeal**.

Review hearings for interim orders

34.1 An **interim order** shall be the subject of a review by a **Tribunal** once every six months or at such shorter intervals as the **Tribunal** may order.

34.2 As soon as reasonably practicable after an **interim order** has been made by a **Tribunal**, the **Head of Committees and Tribunals** shall inform the **parties** of the date, time, location or format of the first **review hearing**.

34.3 At least 28 days prior to any **review hearing**, the **Head of Committees and Tribunals** shall request that the **member, affiliate** or **relevant person** confirm in writing at least 14 days before the **review hearing** whether they intend to contest the continuation of the **interim order** at the **review hearing**.

- 34.4 If the **member, affiliate** or **relevant person** indicates in their response that they do not intend to contest the continuation of the **interim order**, the **Head of Committees and Tribunals** shall cancel the **review hearing** and shall provide copies of the correspondence to the Chair of the **Tribunal** which made the **interim order** (or the **Tribunals Committee Chair** if the **Tribunal Chair** is no longer a member of the **Tribunals Committee** or is unavailable) for the **Tribunal Chair** (or the **Tribunals Committee Chair**) to make an **order** to continue the **interim order** on the same terms. The **Head of Committees and Tribunals** shall provide a copy of any **order** made to the **parties**.
- 34.5 If the **member, affiliate** or **relevant person** indicates in their response that they intend to contest the continuation of the **interim order**, or if the **Head of Committees and Tribunals** receives no response to their request in accordance with **IDR 34.3**, the **review hearing** shall take place on the date notified previously under these **IDRs**. If the **member, affiliate** or **relevant person** intends to contest the continuation of the **interim order**, they shall provide their reasons in writing to the **Conduct Department representative** and the **Head of Committees and Tribunals** at least 7 days before the date of the **review hearing**.

Conduct of a review hearing

- 35.1 A **review hearing** shall be held in public, either in person or via video-conferencing facilities, unless the **Tribunal** determines at the start of the **review hearing** that there are exceptional reasons why the whole or part of the **review hearing** should be held in private which outweigh the public interest in the **review hearing** being held in public.
- 35.2 A **review hearing** shall be conducted by the **Tribunal** that originally made the **interim order**, unless one or more of the **Tribunal** members are no longer members of the **Tribunals Committee** or are unavailable, in which case the **Tribunals Committee Chair** shall be requested to appoint replacement members.
- 35.3 A **review hearing** may proceed in the absence of the **member, affiliate** or **relevant person** where the **Tribunal** is satisfied that the **member affiliate** or **relevant person** has been notified of the date, time, location or format of the **review hearing** in accordance with these **IDRs**. A **member, affiliate** or **relevant person** may be represented by a **representative** and will be deemed present when they appear by their **representative**.
- 35.4 If the **member, affiliate** or **relevant person** (or their **representative**) does not attend the **review hearing**, the **Tribunal** may take into account any written representations provided by that **member, affiliate** or **relevant person** in determining whether the **interim order** should continue on the same or different terms.
- 35.5 The **Tribunal** may adjourn a **review hearing** of its own volition or on the application of one of the **parties**.
- 35.6 The **Tribunal** shall have a discretion to determine the order of proceedings but shall ensure that both **parties** have an opportunity to make representations (whether written or verbal) on whether the **interim order** should continue on the same or different terms.

Orders of a Tribunal at a review hearing

- 36.1 At the end of a **review hearing**, the **Tribunal** may make one of the following **orders**:
- a. that the **interim order** continue on the same terms; or
 - b. that the **interim order** be discharged; or
 - c. that the **interim order**, or any conditions imposed by it, be varied.

The **Tribunal** shall provide reasons for its decision and the **order** will take immediate effect.

- 36.2 Where the **Tribunal** determines that the **interim order** should continue in force on the same or varied terms, it shall specify the date for the next **review hearing**, which shall be within 6 months.
- 36.3 The **Tribunal** shall not make any **costs orders** in relation to **review hearings**.
- 36.4 The **Head of Committees and Tribunals** shall provide the **parties** with a copy of the **order** and the **record of decision** of the **Tribunal** as soon as reasonably practicable after the **review hearing**.

Expedited reviews of interim orders

- 37.1 Either **party** may make an application to the **Tribunals Committee** for a review of an **interim order** before the date of the next **review hearing** if there has been a material change in circumstances (including the emergence of any new material evidence) since the **interim order** was made or the date of the last review.
- 37.2 A **party** wishing to request an **expedited review** shall serve an application on the **Head of Committees and Tribunals** explaining the material change in circumstances.
- 37.3 Any application made under **IDR 37.2** shall be considered by the Chair of the **Tribunal** which made the **interim order** (or the **Tribunals Committee Chair** if the **Tribunal Chair** is no longer a member of the **Tribunals Committee** or is unavailable) who shall determine whether a **Tribunal** should be appointed to review the **interim order** before the date of the next **review hearing**. The decision of the **Tribunal Chair** (or **Tribunals Committee Chair**) will be final.
- 37.4 Where the **Tribunal Chair** (or the **Tribunals Committee Chair**) determines that an **expedited review** should be held before the date of the next **review hearing**, they shall request the **Head of Committees and Tribunals** to fix a date for the **expedited review** as soon as practicable and to notify the **parties** of the date, time, location or format of the **review hearing** and to provide the other **party** with a copy of the application considered by the **Tribunal Chair**.

- 37.5 Any **expedited review** shall be conducted in accordance with **IDR 35** and the **orders** available to the **Tribunal** on an **expedited review** shall be the same as those set out in **IDR 36**, save that the **Tribunal** may, if it orders that the **interim order** should continue on the same terms, make a **costs order** against the **member, affiliate or relevant person** in such sum as it considers appropriate (and, in such circumstances, the procedure set out in **IDR 32.4** shall apply).

DISCIPLINARY PROCEEDINGS BEFORE THE TRIBUNALS COMMITTEE

General

- 38.1 References in **IDRs 39 – 78** to actions taken by the **Conduct Department** shall be construed as being actions taken by the **Conduct Committee** if it has conduct of the **disciplinary proceedings** in accordance with **IDR 23.2**.
- 38.2 Where a **member, affiliate or relevant person**, who is the subject of one or more **formal allegations** has, at any time, after the referral of the **formal allegations** by the **Conduct Committee** and prior to a **final hearing**, been excluded from **ICAEW** membership, or had their status as an **affiliate or provisional member** withdrawn, the **Conduct Department** may submit an application to the **Tribunals Committee Chair** for the **formal allegation(s)** to **lie on file**. Such application shall follow the process set out in **IDRs 38.3 and 38.4** and shall be determined by the **Tribunals Committee Chair** on the papers.
- 38.3 An application made in accordance with **IDR 38.2** must be in writing and a copy provided to the **member, affiliate or relevant person** and any **complainant** who shall have 14 days from the date of service of the application to make written representations. Upon the expiry of 14 days, or the receipt of representations from all persons served with a copy of the application (whichever is earlier), the **Head of Committees and Tribunals** shall provide all relevant documents to the **Tribunals Committee Chair** to determine whether the **formal allegations** should **lie on file**.
- 38.4 Where the **Tribunals Committee Chair** determines that the **formal allegations** should **lie on file**, their decision shall be notified to the **member, affiliate or relevant person**, and any **complainant**, and no step shall be taken to progress the **disciplinary proceedings** in respect of such **formal allegations** unless, or until, an application is made by the **Head of Investigation** to the **Tribunals Committee Chair** to review the **formal allegations** lying on file (following a **readmission / re- registration application** made by the former **member, former affiliate or former relevant person**).
- 38.5 Where an application is made by the **Head of Investigation** to the **Tribunals Committee Chair** to review the **formal allegations** lying on file, a copy of the application (indicating whether the **Head of Investigation** considers that the **disciplinary proceedings** in respect of such **formal allegations** should be re-started) and any supporting documents shall be provided by the **Head of Committees and Tribunals** to:
- a. the former **member, former affiliate or former relevant person** who is the subject of the **formal allegations** lying on file; and

- b. any **complainant** connected to such **formal allegations**, who shall both have 14 days from the date of service of the application to provide any representations in writing to the **Head of Committees and Tribunals** prior to the application for review being considered by the **Tribunals Committee Chair**.
- 38.6 In considering the application for review, the **Tribunals Committee Chair** shall take into account the **Head of Investigation's** submissions and any representations made by the former **member**, former **affiliate** or former **relevant person**, and by any **complainant**, before determining whether the **disciplinary proceedings** should be re-started.
- 38.7 The **Tribunals Committee Chair** shall order that the **disciplinary proceedings** relating to all **formal allegations** lying on file be re-started unless they consider that re-starting **disciplinary proceedings** relating to any or all **formal allegations** is not in the public interest, or if they consider that there are exceptional circumstances justifying the closure of such proceedings. Where an **order** is made to close the **disciplinary proceedings** in relation to one or more **formal allegations** lying on file, no further action shall be taken in respect of those matters.
- 38.8 Where the **Tribunals Committee Chair** orders that the **disciplinary proceedings** relating to one or more **formal allegations** lying on file be re-started, the **formal allegations** shall be dealt with in accordance with these **IDRs**.

Pre-hearing procedure

- 39.1 Where one or more **formal allegations** (including any **serious conviction allegations**) are referred to the **Tribunals Committee** for determination by the **Conduct Committee** or the **Conduct Department**, the **Head of Committees and Tribunals** shall serve on the **member**, **firm**, **affiliate** or **relevant person** the following:
- the **formal allegations report** received from the **Conduct Department**;
 - any **private hearing application** made by the **Conduct Department**;
 - notice** of the date, time and arrangements for a **case management hearing**, which shall be not less than 35 days from the date of service of the documents;
 - a **response form** (to be completed); and
 - a copy of the **standard directions**.
- 39.2 Within 21 days of service of the documents referred to in **IDR 39.1**, the **member**, **firm**, **affiliate** or **relevant person** shall provide to the **Head of Committees and Tribunals**:
- a completed **response form**;
 - a **response statement** (unless the **formal allegation** or **formal allegations** are admitted in their entirety on the **response form**);
 - any **private hearing application** or any response to a **private hearing application** made by the **Conduct Department**;
 - any witness statements upon which the **member**, **firm**, **affiliate** or **relevant person** intends to rely;
 - the availability of the **member**, **firm**, **affiliate** or **relevant person**, all witnesses and **representatives** for the following six months;
 - a copy of the **standard directions** with any proposed amendments and deletions or any alternative **directions** proposed by the **member**, **firm**, **affiliate** or **relevant person**,

and the **Head of Committees and Tribunals** shall provide copies of such documents to the **Conduct Department** as soon as reasonably practicable. The **Head of Committees and Tribunals** shall have the discretion to extend the period for service of the documents required under this **IDR** where an extension is considered reasonable in the circumstances.

- 39.3 The **response statement** shall include the following information:
- a. the reference number of the **formal allegations report**;
 - b. if there is only one **formal allegation**, whether it is admitted and, if there are two or more **formal allegations**, whether any of the **formal allegations** are admitted;
 - c. for all **formal allegations** which are denied, whether the **member, firm, affiliate** or **relevant person** admits the factual basis of the **formal allegation** or **formal allegations**, as set out in the **formal allegations report**. If the factual basis or bases are not accepted, the **response statement** should detail which paragraphs of the report are agreed and disputed and, where paragraphs are disputed, set out any alternative factual basis;
 - d. whether the **member, firm, affiliate** or **relevant person** accepts that, if the factual basis of the **formal allegation** or **formal allegations** is proved or admitted, they are liable to disciplinary action under the relevant **Disciplinary Bye-law**;
 - e. if the **member, firm, affiliate** or **relevant person** does not accept that they are liable to disciplinary action, the basis on which this lack of liability is asserted;
 - f. if a **formal allegation** contains an allegation of dishonesty, whether this is accepted or, if it is not, the basis on which it is denied;
 - g. if a **formal allegation** contains an allegation of a lack of integrity whether this is accepted or, if it is not, the basis on which it is denied.
- 39.4 If the **member, firm, affiliate** or **relevant person** admits the **formal allegation** (where there is only one) or all **formal allegations** (where there is more than one) in their entirety in the **response form** and does not make a **private hearing application**, then the admission(s) will be entered into the **record** and the **case management hearing** will be vacated. The **Head of Committees and Tribunals** shall then request the **Tribunals Committee Chair** to appoint a **Tribunal** for a **sanctions hearing** and shall notify all **parties** of the date, time, location or format for the **sanctions hearing**.
- 39.5 If the **member, firm, affiliate** or **relevant person** does not admit all **formal allegation(s)** but the **parties** agree **directions** and there is no **private hearing application**, the **case management hearing** scheduled pursuant to **IDR 39.1(c)** will be vacated and the **Conduct Department representative** shall provide a copy of the agreed **directions** to the **Head of Committees and Tribunals**. The **Head of Committees and Tribunals** shall then request the **Tribunals Committee Chair** to appoint a **Tribunal** for a **final hearing** and shall notify the **parties** of the date, time, location or format for the **final hearing**.
- 39.6 If the member, firm affiliate or relevant person
- a. does not admit the **formal allegation(s)** and the **parties** do not agree **directions**; or
 - b. makes a **private hearing application**; or
 - c. fails to file a completed **response form** and any proposed **directions** as required pursuant to **IDR 39.2**,

the matter shall proceed to the **case management hearing** scheduled by the **Head of Committees and Tribunals** pursuant to **IDR 39.1(c)**. The **Head of Committees and Tribunals** shall also request the **Tribunals Committee Chair** to appoint a **Tribunal** for the **final hearing**.

- 39.7 At least 7 days before a **case management hearing**, the **Conduct Department representative** may file with the **Head of Committees and Tribunals**, and serve on the **member, firm, affiliate** or **relevant person**, a written response to any **private hearing application**, or any **directions** filed by the **member, firm, affiliate** or **relevant person** pursuant to **IDR 39.2**.

CASE MANAGEMENT HEARINGS

General process

- 40.1 A **case management hearing** shall either be conducted by a legally qualified **Case Management Chair** sitting alone, or by a lay **Case Management Chair** assisted by a **legal assessor**.
- 40.2 The **Case Management Chair** shall be the **Tribunal Chair** appointed for the **final hearing** but, if the **Tribunal Chair** is not available within a reasonable period, the **Tribunals Committee Chair** shall appoint an alternative **Case Management Chair**.
- 40.3 The **Case Management Chair** appointed to conduct the **case management hearing** shall decide, in their absolute discretion, whether an application for a postponement of that **case management hearing** should be granted.
- 40.4 **Case management hearings** shall be in private and shall take place as telephone or video conferences, unless the **Case Management Chair**, in their absolute discretion, directs otherwise. There shall be no advance publicity of the date of a **case management hearing**.
- 40.5 The purpose of a **case management hearing** is to:
- a. decide any preliminary issues of procedure or any applications for **directions** which are necessary or desirable for securing the just, expeditious and economic disposal of the **formal allegations**; and
 - b. set **directions** for the future management of the **disciplinary proceedings** and to timetable the **final hearing**.
- 40.6 If either **party** fails to attend the **case management hearing**, it will proceed in their absence, where the **Case Management Chair** is satisfied that each **party** has been notified of the date, time, location or format of the **case management hearing** in accordance with these **IDRs** and that proceeding is desirable for securing the just, expeditious and economic disposal of the **formal allegation(s)**. A **member, firm, affiliate** or **relevant person** may be represented by a **representative** at the **case management hearing**, and a **member, firm, affiliate** or **relevant person** will be deemed present when they appear by their **representative**.

- 40.7 The **Case Management Chair** may, at a **case management hearing**, direct a **member, firm, affiliate** or **relevant person** or the **Conduct Department representative** to provide such further information and/or documents relating to the **formal allegation(s)** as the **Case Management Chair** thinks necessary for the just, expeditious and economic disposal of the case and may adjourn the **case management hearing** for a short period to allow such further information and/or documents to be provided.
- 40.8 If, either before or during, the **case management hearing**, the **member, firm, affiliate** or **relevant person** indicates that they admit the **formal allegation(s)** against them in their entirety, the admission(s) shall be entered into the **record** and the **Case Management Chair** shall direct that a **sanctions hearing** be listed at the earliest available date. The **Head of Committees and Tribunals** shall then request the **Tribunals Committee Chair** to appoint a **Tribunal** for the **sanctions hearing** and to notify the **parties** of the date, time, location or format of the **sanctions hearing**.

Directions

- 41.1 The **Case Management Chair** shall make **directions** after hearing representations from both **parties**. The **Case Management Chair** may make any **directions** necessary for the just, expeditious and economic disposal of the **formal allegation(s)** at the **final hearing**, including but not limited to:
- a. directing the service and timetabling by both **parties** of summary ('skeleton') arguments;
 - b. directing the number of days to be allocated to the **final hearing** and the timing of opening and closing submissions, legal arguments, witness and expert evidence;
 - c. timetabling the service of further evidence, including any expert evidence;
 - d. directing and timetabling the service of further disclosure by either **party**;
 - e. exceptionally, timetabling a further **case management hearing**;
 - f. exceptionally, deciding an application to admit a witness statement which is not accepted by the other **party** and where the witness is unable or unavailable to attend the **final hearing**, provided that the admission is in the interests of justice; and
 - g. directing the date or dates of the **final hearing**.
- 41.2 The **Case Management Chair** shall, in their absolute discretion, direct which witnesses should attend the **final hearing**. It is not expected that witnesses whose statements are agreed will attend to give evidence at the **final hearing**, but their witness statements will be admitted into evidence and may be read to the **Tribunal** as agreed statements at the **final hearing**.
- 41.3 If a **party** fails to serve any or all the documents specified in **IDR 39.1** or **IDR 39.2**, then they shall not be permitted to rely on any document not so served, unless the **Case Management Chair** at a **case management hearing** or, exceptionally, the **Tribunal** at the **final hearing**, allows for the admission of further documents. The **Case Management Chair** shall only admit further documents if:
- a. they are relevant to the issues to be determined;

- b. they could not have been reasonably identified and adduced by the **party** seeking to rely on them at an earlier date; and
- c. the relevance and probative value of the evidence contained in the documents is such that the prejudice caused by the refusal of permission outweighs the prejudice caused by its admission.

Joinder / consolidation of formal allegations for final hearing / sanctions hearing

- 42.1 **Formal allegations** against a **member, firm, affiliate** or **relevant person** founded on the same **event** or **events** which form part of the same **conduct report** and which have been referred together by the **Conduct Committee** as **formal allegations** will be heard at the same **final hearing** unless an application is made at a **case management hearing** for the **formal allegations** to be heard separately.
- 42.2 An application to consolidate and hear at the same **final hearing** two or more **formal allegations** against a **member, firm, affiliate** or **relevant person** arising from different **events**, shall be dealt with at a **case management hearing**. The **Case Management Chair** may grant that application where they consider the consolidation to be in the interests of justice, taking into account the potential reduction of costs and delays.
- 42.3 An application to join, and hear at the same **final hearing, formal allegations** against two or more **members, firms, affiliates** or **relevant persons** which arise out of the same **event(s)** shall be dealt with at a **case management hearing**. The **Case Management Chair** may grant that application where they consider the consolidation to be in the interests of justice, taking into account the potential reduction of costs and delays.

Private hearing applications

- 43.1 Where a **private hearing application** has been made by a **party** pursuant to **IDR 39.1(b)** or **39.2(c)**, this application shall be determined at a **case management hearing** by the **Case Management Chair**.
- 43.2 **Sanctions hearings** and **final hearings** shall be held in public unless the **Case Management Chair** accedes to a **private hearing application** made by a **party**, or concludes, of their own volition, that the press and public should be excluded from the whole, or part, of a **sanctions hearing** or a **final hearing** in the interests of justice and / or due to the exceptional circumstances of the case outweighing the public interest in the **hearing** being held in public.
- 43.3 The **Case Management Chair** shall provide a summary of reasons to the **parties** for allowing or dismissing any application made under **IDR 39.1(b)** or **39.2(c)**.

Fixing date for final hearing / notifications to the parties

- 44.1 The **Case Management Chair** shall schedule the date of the **final hearing**, which shall be at least 30 days from the date of the **case management hearing**, unless a closer date is agreed by both **parties** and the **Head of Committees and Tribunals**. The **Head of Committees and Tribunals** shall notify the **parties** of the date, time, location or format of the **final hearing** within 7 days of the **case management hearing**.
- 44.2 The **directions** from the **case management hearing**, and the summary of reasons for allowing or rejecting any **private hearing application**, shall be served on the **parties** by the **Head of Committees and Tribunals** within 7 days of the **case management hearing**.

Additional case management hearings

- 45.1 The **Case Management Chair** may, of their own volition, determine that another **case management hearing** should be held.
- 45.2 An application may be made by either **party** to the **Head of Committees and Tribunals** for a further **case management hearing** to take place to vary **directions** or for additional **directions** to be made. The **Head of Committees and Tribunals** shall arrange for any further **case management hearing** to be conducted by the **Case Management Chair** who conducted the prior **case management hearing** unless they are not available within a reasonable time, in which case the **Head of Committees and Tribunals** shall request the **Tribunals Committee Chair** to appoint an alternative **Case Management Chair**.

SETTLEMENT ORDERS

- 46.1 At any time following the referral of one or more **formal allegations** to the **Tribunals Committee**, but prior to the start of a **final hearing**, the **parties** may apply to the **Tribunals Committee** for the approval of a draft **settlement order** to conclude the **disciplinary proceedings** against the **member, firm, affiliate** or **relevant person** by agreement. Any **settlement order application** shall be served on the **Head of Committees and Tribunals** and shall contain the documents set out at **IDR 46.3**.
- 46.2 Upon receipt of a **settlement order application**, the **Head of Committees and Tribunals** shall request the **Tribunals Committee Chair** to appoint a **Settlement Chair**.
- 46.3 As soon as reasonably practicable, the **Settlement Chair** shall be provided with the **settlement order application** which shall include:
- a. the formal allegations report
 - b. the proposed **settlement agreement**;
 - c. the draft **settlement order**;
 - d. any written representations from the **parties**; and
 - e. any **disciplinary record** of the **member, firm, affiliate** or **relevant person**.

- 46.4 The **Settlement Chair** shall determine whether to make the proposed **settlement order** on the papers.
- 46.5 In determining whether the proposed **settlement agreement** is in the public interest and whether the draft **settlement order** should be approved, the **Settlement Chair** shall consider, amongst other matters:
- a. the **formal allegation** or **formal allegations** which have been admitted by the **member, firm, affiliate** or **relevant person** and any which have not been admitted;
 - b. the likely outcome and **sanction(s)** which would be imposed by a **Tribunal** at a **final hearing**;
 - c. the degree to which the **member, firm, affiliate** or **relevant person** has displayed insight into the conduct giving rise to the **formal allegation(s)**; and
 - d. any remedial action taken by the **member, firm, affiliate** or **relevant person** and any safeguards put in place to prevent similar issues arising in the future.
- 46.6 Where the **settlement order** is approved, the **Head of Committees and Tribunals** shall provide a copy of the signed **settlement order** to:
- a. the **parties** to the **settlement order**; and
 - b. any other **member, firm, affiliate** or **relevant person** who, or which, is the subject of any **formal allegation(s)** arising from the same **events** as the **formal allegations** which are the subject of the **settlement order**, and the **settlement order** shall take effect after 7 days of the date of service of the **order** on the **parties**.
- 46.7 Where the **Settlement Chair** does not approve the draft **settlement order**, the **Settlement Chair** shall give a written summary of reasons, a copy of which shall be provided by the **Head of Committees and Tribunals** to the **parties** as soon as practicable.
- 46.8 The **parties** may make further **settlement order applications** at any time prior to the start of a **final hearing**.
- 46.9 **IDRs** 58.1(b), 58.5 and 58.6 (time limits for the payment of financial penalties, financial payments and **costs orders**) shall apply in relation to any financial penalty, financial payment or costs imposed by a **settlement order** made under **IDR** 46.6 as it applies in relation to a financial penalty, financial payment or **costs order** imposed by an **order** of a **Tribunal** (save that the reference in **IDR** 58.1(b) to the date of service of the **Tribunal's record of decision** shall be taken to refer to the date of the **settlement order**).

Publication of settlement orders

- 47.1 Subject to **IDR** 47.6, an approved **settlement order** shall be published no less than 7 days from the date of service of the **settlement order** on the **parties**.

- 47.2 A **settlement order** shall not be published until a reasonable opportunity has been provided to any other **member, firm, affiliate** or **relevant person** who, or which, has been served with a copy of the **settlement order** pursuant to **IDR 46.6(b)** to make representations for delaying the publication until the final determination of the **formal allegation(s)** against that other **member, firm, affiliate** or **relevant person**.
- 47.3 Any **member, firm, affiliate** or **relevant person** who, or which, wishes to make representations to the **Settlement Chair** to delay the publication shall provide any such representations in writing to the **Head of Committees and Tribunals** within 7 days of being served with a copy of the **settlement order**.
- 47.4 Where written representations are received pursuant to **IDR 47.3**, the **Settlement Chair** shall consider such representations before determining whether there is good reason why the publication of the **settlement order** should be delayed. In making that determination, the **Settlement Chair** shall have regard to the following matters:
- a. the potential impact of the publication of the **settlement order** on the determination of the **formal allegation(s)** against the **member, firm, affiliate** or **relevant person** who has been served with a copy of the **settlement order** pursuant to **IDR 46.6(b)**; and
 - b. the public interest in ensuring swift publication of **sanctions** for the protection of clients and future clients of the **member, firm, affiliate** or **relevant person**, and the protection of **ICAEW's** reputation as a regulator.
- 47.5 Where the **Settlement Chair** refuses a request to delay the publication, written reasons for this decision shall be provided to the **parties** and any other persons served with a copy of the **settlement order** under **IDR 46.6(b)**.
- 47.6 Where the **Settlement Chair** decides that the publication of the **settlement order** should be delayed, the **Settlement Chair** shall provide directions to the **Head of Committees and Tribunals** on when the **order** should be published and the **Head of Committees and Tribunals** shall inform the **parties** and any other persons served with a copy of the **settlement order** under **IDR 46.6(b)** accordingly.

Without prejudice nature of settlement discussions

- 48.1 The content of any settlement discussions between the **Conduct Department** and the **member, firm, affiliate** or **relevant person**, any proposed **settlement agreement** or any draft **settlement order**, and the summary of reasons given by a **Settlement Chair** for refusing a proposed **settlement order**, shall be confidential and, for the avoidance of doubt, shall not be admissible in:
- a. any subsequent **disciplinary proceedings** against the **member, firm, affiliate** or **relevant person** in respect of the **formal allegation(s)**; and
 - b. any **disciplinary proceedings** concerning **allegation(s)** or **formal allegation(s)** against any other **member, firm, affiliate** or **relevant person** which arise from the same **event(s)** as the **formal allegations** which were the subject of the proposed **settlement order**.

48.2 A **Settlement Chair** shall have no further involvement in the matter if a proposed **settlement order** is refused and the **formal allegation(s)** proceed to a **sanctions hearing** or a **final hearing**.

CONDUCT OF FINAL HEARINGS AND SANCTIONS HEARINGS

General

- 49.1 Subject to **IDR 49.2**, the name of the **member, firm, affiliate** or **relevant person** who, or which, is the subject to the **formal allegation(s)**, the date, time, location or format of the **hearing**, and the terms of the **bye-law** and/or regulation under which the **formal allegation** is, or **formal allegations** are, brought, shall be published on the **ICAEW** website at least 7 days prior to a **final hearing** or **sanctions hearing**.
- 49.2 **IDR 49.1** shall not apply where, prior to the **hearing**, a **party** has made a successful application for the **hearing** to be heard in private.
- 49.3 The **Head of Committees and Tribunals** may appoint a **legal assessor** to assist the Tribunal at the final hearing or sanctions hearing.
- 49.4 If, prior to the start of a **final hearing** or a **sanctions hearing**, any member of a **Tribunal** appointed in accordance with these **IDRs** is unable to attend the **hearing**, the **Tribunals Committee Chair** shall appoint another member of the **Tribunals Committee** to the **Tribunal**. If no suitable member of the Committee is available on the date(s) fixed for the **final hearing** or **sanctions hearing**, the **Tribunals Committee Chair** shall request the **Head of Committees and Tribunals** to fix a new date for the **final hearing** or **sanctions hearing** and to notify all **parties** of the new date.
- 49.5 If, after the start of a **final hearing** or a **sanctions hearing**, any member of the **Tribunal** is, for any reason, unable to continue to attend, the **Tribunal** will no longer be quorate and may not continue. In such circumstances, the **Head of Committees and Tribunals** shall request the **Tribunals Committee Chair** to appoint a new **Tribunal** and shall fix a date and time for the **final hearing** or the **sanctions hearing** to recommence. No members of the original **Tribunal** shall be appointed as members of the new **Tribunal** but the same **legal assessor** may be re-appointed.
- 49.6 If, at any time during a **final hearing** or a **sanctions hearing**, the **Tribunal Chair** is, for any reason, of the opinion that it is impracticable or would be contrary to the interests of justice for the **final hearing** or the **sanctions hearing** to be completed by that **Tribunal**, they shall inform the **Tribunals Committee Chair** who shall thereupon direct that the matter be re-heard by a new **Tribunal** so appointed. No members of the original **Tribunal** shall be appointed as members of the new **Tribunal** but the same **legal assessor** may be re-appointed.
- 49.7 A **Tribunal Chair** may postpone a **final hearing** or a **sanctions hearing** which has not yet commenced of their own volition or upon application by either **party**.
- 49.8 A **final hearing** or a **sanctions hearing** may proceed in the absence of the **member, firm, affiliate** or **relevant person** where the **Tribunal** is satisfied that each **party** has been

notified of the date, time, location or format of the **final hearing** or the **sanctions hearing** in accordance with these **IDRs** and that proceeding is desirable for securing the just, expeditious and economic disposal of the **formal allegation(s)**. A **member, firm, affiliate** or **relevant person** may be represented by a **representative** and a **member, firm, affiliate** or **relevant person** will be deemed present when they appear by their **representative**.

- 49.9 A **Tribunal** may adjourn proceedings of its own volition or upon application by either **party** to a date fixed by the **Tribunal**. A **party** may make an application to the **Tribunal Chair** for a further adjournment before the **final hearing** or the **sanctions hearing** is resumed which must be copied to the other **party** who shall be entitled to make written representations on the application before a decision is made by the **Tribunal Chair**.
- 49.10 The **Tribunal** may, at its discretion, consider evidence which has not been provided in accordance with **IDRs** 39.1, 39.2 and 41.3. However, in considering whether to admit late evidence, the **Tribunal** shall apply the test in **IDR** 41.3.
- 49.11 A **Tribunal** may deliberate in the absence of the **parties**, and their representatives, at any time.
- 49.12 No objection shall be upheld to any technical fault or in the procedure adopted by a **Tribunal** at a **final hearing** or a **sanctions hearing**, provided that the proceedings are fair and the relevant **Disciplinary Bye-laws** and **IDRs** have been complied with.
- 49.13 A **Tribunal** may exclude from the whole or part of a **final hearing** or a **sanctions hearing**, any person or persons whose conduct has disrupted, or is likely to disrupt, the **hearing**.
- 49.14 Notwithstanding a refusal by the **Case Management Chair** at a **case management hearing**, a **Tribunal** may, at any stage of a **final hearing** or a **sanctions hearing**, consider an oral application to exclude the press and the public from the whole or any part of a **final hearing** or a **sanctions hearing**. In deciding such an application, the **Tribunal** will apply the same test and considerations outlined in **IDR** 43.2 and will additionally require the **party** making the application to provide a good reason why the application could not reasonably have been made earlier at a **case management hearing**.
- 49.15 Where an oral application is made to a **Tribunal** to hold the whole or part of a **final hearing** or a **sanctions hearing** in private, that application will be heard in private. Where an application is successful, or where a **Tribunal** otherwise decides of its own motion to exclude the press and the public from the whole or part of a **final hearing** or a **sanctions hearing**, the reasons for holding the whole or part of a **final hearing** or a **sanctions hearing** in private will be given by the **Tribunal** in public on the day that the decision is made, provided always that such reasons as are given do not, in the opinion of the **Tribunal**, unreasonably undermine the purpose of proceeding in private. In the event of any **formal allegation** being proved at a **final hearing**, the **Tribunal's** reasons for having proceeded in private will be published, provided that such reasons as are given shall not in the opinion of the **Tribunal** undermine the purpose of having proceeded in private. If the **formal allegation(s)** are not proved, such reasons will only be published if the **member, firm, affiliate** or **relevant person** so requests.

Conduct of a final hearing

- 50.1 If a **member, firm, affiliate** or **relevant person** does not attend a **final hearing** but provides written representations, the **Tribunal** may take these representations into account when deciding whether or not the test for liability under **Disciplinary Bye-law 5.2** has been met in respect of the **formal allegation(s)**.
- 50.2 A **final hearing** shall be informal and the strict rules of evidence shall not apply. Subject to these **IDRs**, the **Tribunal** may adopt any method of procedure which it considers fair and which gives each **party** the opportunity to present their case. Unless a **Tribunal** directs otherwise, the order of proceedings will be as follows:
- the **formal allegation(s)** shall be read out or, with the consent of the **member, firm, affiliate** or **relevant person**, the **formal allegation(s)** may be taken as read, and the **member, firm, affiliate** or **relevant person** shall be invited to state whether they admit or deny the **formal allegation(s)**, and this admission or denial will be entered into the **record**;
 - the **Conduct Department representative** shall outline the case against the **member, firm, affiliate** or **relevant person** and, subject to **IDRs 39.1, 41.1 and 41.3**, may produce any document or call any witness;
 - the **member, firm, affiliate** or **relevant person**, or their **representative** shall be entitled to address the **Tribunal** and, subject to **IDRs 39.2, 41.1 and 41.3**, may give evidence and produce any document or call any witness;
 - a witness for one **party** (including the **member, firm, affiliate** or **relevant person**) may be questioned by, or on behalf of, the other **party**. A witness so questioned may be re-examined by, or on behalf of, the **party** calling them, but such re-examination shall be limited to matters arising from cross-examination. Members of a **Tribunal** may ask questions of a witness. Evidence will not be taken on oath. A witness, other than an expert witness, shall not be permitted to observe the **final hearing** until they have given their evidence. The **Tribunal** may, on the application of either **party**, agree that the identity of a witness should not be revealed to the public;
 - the **parties** may make closing submissions and the **member, firm, affiliate** or **relevant person**, or their **representative**, will have the final opportunity to address the **Tribunal**.
- 50.3 The **Tribunal** shall apply the standard of proof set out in **Disciplinary Bye-law 5.2** in considering the **formal allegation(s)** and the burden of proof is on the **Conduct Department**.

ORDERS OF A TRIBUNAL AT A FINAL HEARING

Orders which a Tribunal may make when formal allegations are found to be proved

- 51.1 Where a **Tribunal**, after hearing and considering the evidence and the submissions made by the **parties**, finds that one or more **formal allegations** against the **member, firm, affiliate** or **relevant person** are proved, it shall make a **finding** to that effect and shall consider:

- a. the **sanctions** (if any) to be imposed on the **member, firm, affiliate** or **relevant person** in relation to the proven **formal allegations** in accordance with **Disciplinary Bye-law** 11.1 and **IDRs** 51.2 – 51.4; and
- b. whether to make a **costs order** against the **member, firm, affiliate** or **relevant person** in accordance with **Disciplinary Bye-law** 11.1 and **IDR** 51.4.

51.2 Prior to determining what (if any) **sanctions** to impose on the **member, firm, affiliate** or **relevant person**, the **Tribunal** shall invite the **Conduct Department representative** to make representations to the **Tribunal** in respect of:

- a. any **disciplinary record** of the **member, firm, affiliate** or **relevant person**;
- b. any aggravating or mitigating factors which the **Conduct Department representative** considers to be relevant to sanction;
- c. any relevant guidance or details of any relevant cases which have been determined previously; and
- d. the appropriate starting point in the **Guidance on Sanctions**.

51.3 The **Tribunal** shall then invite the **member, firm, affiliate** or **relevant person**, or their **representative**, to address the **Tribunal** on appropriate sanction including representations relating to appropriate starting points in the **Guidance on Sanctions**, relevant mitigating factors, **disciplinary record** and character references.

51.4 Prior to determining sanction and whether to make a **costs order**, and the amount of any costs to be ordered against a **member, firm, affiliate** or **relevant person**, the **Tribunal** shall:

- a. hear and consider submissions from the **member, firm, affiliate** or **relevant person** (or their **representative**) and the **Conduct Department representative**, in respect of the **costs schedule** provided by the **Conduct Department** to the **Tribunal** and the **member, firm, affiliate** or **relevant person** prior to the **hearing**; and
- b. have regard to any statement of means, supported with a signed statement of truth, and evidence of income and assets provided by the **member, firm, affiliate** or **relevant person**.

Orders for the waiver or repayment of fees or commission

52.1 Where a **Tribunal** makes an **order** in accordance with **Disciplinary Bye-law**

11.1(a)(x), 11.1(b)(ix), 11.1(c)(x) or 11.1(d)(xii) for:

- a. the repayment of the whole or part of any fee or commission received; and/or
- b. the waiver of the whole or part of any fee which is due; and/or
- c. the payment of a sum assessed by the **Tribunal** as the value in whole or part of any commission to which the **member, firm, affiliate** or **relevant person** has become entitled; and/or
- d. the repayment of the whole or part of any sum which has been retained in or towards payment of a fee by a client,

any sums ordered to be paid by the **member, firm, affiliate** or **relevant person**, shall be paid to **ICAEW** for remittance to the client or former client in accordance with these **IDRs**, and the total amount of any fees to be waived, or sums to be paid, in accordance with paragraphs (a) – (d) above, shall not exceed £10,000 in the aggregate.

Remedial orders

- 53.1 A **Tribunal** may, on its own or in addition to other **orders** it may make in accordance with **Disciplinary Bye-law** 11.1(a)(xi), 11.1(b)(x), 11.1(c)(xi) or 11.1(d)(xiii), appoint another **member, member firm** or **regulated firm** to undertake or complete the work which the **member, firm, affiliate** or **relevant person** (who or which is the subject of the **formal allegations**) was engaged to perform for a client or former client; and, if it does so, the **Tribunal** shall order the **member, firm, affiliate** or **relevant person** to pay the reasonable fees of that other **member, member firm** or **regulated firm** for work done as a result of the appointment.
- 53.2 In the event of a dispute as to the fees payable by the **member, firm, affiliate** or **relevant person** in accordance with **IDR** 53.1 above, the **Tribunal** may either:
- determine the fees payable; or
 - order the parties to the dispute to submit the fees to arbitration in accordance with the directions of the **Tribunal**.

Complainants' expenses

- 54.1 The **Tribunal** may, in accordance with **Disciplinary Bye-law** 11.1(a)(ix), 11.1(b)(viii), 11.1(c)(ix) or 11.1(d)(xi), order the **member, firm, affiliate** or **relevant person** to pay to **ICAEW** a sum in respect of the expenses which, in the opinion of the **Tribunal**, were reasonably and necessarily incurred by the **complainant** in:
- bringing the **complaint** to the attention of the **Conduct Department**; and/or
 - making written representations to the **Conduct Department** prior to the referral of the **allegation(s)** to the **Conduct Committee**,
- save that such sum shall not exceed £1,000 in the aggregate.

Where formal allegations are found not to be proved

- 55.1 Where a **Tribunal** finds any **formal allegation** unproved, it shall dismiss that **formal allegation** in accordance with **Disciplinary Bye-law** 11.2.
- 55.2 Where a **Tribunal** finds that the test set out in **Disciplinary Bye-law** 5.2 has not been met in respect of all **formal allegations** against a **member, firm, affiliate** or **relevant person**, the **Tribunal** may, on the application of the **member, firm, affiliate** or **relevant person**, make a **costs order** against **ICAEW** subject to **IDRs** 55.3 and 55.4.
- 55.3 In determining whether to make a **costs order** under **IDR** 55.2, a **Tribunal** shall take into account the public policy applied in the civil courts that costs awards should only be made against a regulator in exceptional circumstances to safeguard against the risk that the regulator may be fettered in exercising its disciplinary functions due to the risk of adverse costs orders.
- 55.4** If the **Tribunal** considers it appropriate to make a **costs order** against **ICAEW**, it shall be limited to £25,000 (in the aggregate for all **formal allegations**) unless the **Tribunal** determines that:

- a. the **formal allegation** has, or the **formal allegations** have, been brought in bad faith; or
- b. no reasonable regulator would have brought or pursued that **formal allegation** or those **formal allegations** against the **member, firm, affiliate** or **relevant person**; or
- c. the way in which the **Conduct Department** conducted the **disciplinary proceedings** unreasonably increased the costs incurred by the **member, firm, affiliate** or **relevant person** to more than £25,000; or
- d. the absence of a larger **costs order** against **ICAEW** would give rise to significant hardship for the **member, firm, affiliate** or **relevant person**.

55.5 Where the **Tribunal** determines to make a **costs order** against **ICAEW**, it shall give the **Conduct Department representative** and the **member, firm, affiliate** or **relevant person** (or their **representative**) an opportunity to make representations on the amount of costs claimed by the **member, firm, affiliate** or **relevant person** before determining the amount to be paid by **ICAEW** by way of costs.

55.6 Any costs payable by **ICAEW** shall be limited to the costs reasonably incurred by the **member, firm, affiliate** or **relevant person** since the date of the referral of the **formal allegations** to the **Tribunals Committee**.

ORDERS OF A TRIBUNAL AT A SANCTIONS HEARING

56.1 A **Tribunal** at a **sanctions hearing** shall follow the process set out in **IDRs** 51.2 - 51.4 in determining what (if any) **sanctions** from those set out in **Disciplinary Bye-law** 11.1 should be imposed on the **member, firm, affiliate** or **relevant person**, and whether a **costs order** should be made against a **member, firm, affiliate** or **relevant person** (and, if so, the amount of such costs).

56.2 **IDRs** 52 – 54 (concerning remedial orders; orders for the waiver or repayment of fees or commission, and complainants' expenses) shall apply, where relevant, to **orders** made by a **Tribunal** in accordance with **Disciplinary Bye-law** 11.1 at a **sanctions hearing**.

TRIBUNAL ORDERS: NOTIFICATION / TIMING OF ORDERS COMING INTO EFFECT / TIME FOR PAYMENT / PUBLICITY

Notification

57.1 Following a **final hearing** or a **sanctions hearing**, the **Head of Committees and Tribunals** shall send to the **parties** as soon as reasonably practicable:

- a. **notice** of the decision of the **Tribunal** and any **order(s)** made; and
- b. a copy of the **record of decision**.

Timing of orders coming into effect / time for payment

58.1 Subject to **IDRs** 58.2 – 58.6:

- a. any **order** made by a **Tribunal** at the end of a **final hearing** or **sanctions hearing** against a **member, firm, affiliate** or **relevant person** shall, unless the **Tribunal**

otherwise directs, take effect at the end of the period of 28 days beginning with the date of service of the **Tribunal's record of decision** on the **member, firm, affiliate or relevant person**; and

- b. any financial penalties, financial payments or **costs orders** specified in the **order** of the **Tribunal** shall, unless a longer period for payment (whether by instalments or not) is specified in the **order**, be paid within the period of 35 days beginning with the date of service of the **record of decision** on the **parties**.

58.2 If, within the period of 28 days from the date of service of the **record of decision**, either the **member, firm, affiliate or relevant person**, or the **Conduct Department**, applies for permission to appeal any **order** of the **Tribunal**, the **order** shall not take effect, and no financial penalties, financial payments or costs shall be payable unless or until either the application for permission to appeal is dismissed or any subsequent **appeal** is dismissed or withdrawn. It shall not take effect at all if an **Appeal Panel** rescinds or varies the **order**.

58.3 If:

- a. a **notice** is served withdrawing the application for permission to appeal before it is determined; or
- b. a **notice** is served confirming that permission to appeal has been refused; or
- c. a **notice** is served withdrawing the **appeal**,

the **order** of the **Tribunal** shall take effect at the end of the period of 14 days beginning with the date of service of the **notice**, at which point any **order** for payment of any financial penalty, financial payment or **costs order** under **Disciplinary Bye-law 11** shall become immediately due subject to **IDR 58.4**.

58.4 If the **order** of the **Tribunal** has permitted payment of any financial penalty, any financial payment or any **costs order** by instalments, only those instalments which would have become payable before the service of the **notice** specified in **IDR 58.3** shall become immediately payable and any further instalments will fall due on the dates specified in the **Tribunal's order**.

58.5 Any financial penalty, financial payment or **costs order** (or instalment of a financial penalty, financial payment or **costs order**) imposed under the **Disciplinary Bye-laws** by a **Tribunal** must be received by **ICAEW** before the close of business on the last day of the period allowed by, or under, these **IDRs** for its payment (or, if that day is not a **business day**, before the close of business on the next **business day**).

58.6 Where:

- a. a financial penalty, financial payment or **costs order** is payable by instalments; and
- b. any instalment is not received by **ICAEW** as required by **IDR 58.5**, the whole of the financial penalty, financial payment or **costs order** (or so much of it as remains unpaid) shall become immediately due for payment.

58.7 Where a **member, firm, affiliate or relevant person** is ordered by a **Tribunal** to make a financial payment to **ICAEW** pursuant to **Disciplinary Bye-laws 11.1(a)(ix), 11.1(a)(x), 11.1(b)(viii), 11.1(b)(ix), 11.1(c)(ix), 11.1(c)(x), 11.1(d)(xi) or 11.1(d)(xii)**, **ICAEW** shall pay such sum to the client, former client or **complainant** (as the case may be) within 21 days of receiving payment.

Publication of orders

- 59.1 Where a **Tribunal** makes any adverse **finding** and/or **order** against a **member, firm, affiliate** or **relevant person** under the **Disciplinary Bye-laws**, the **finding** and/or **order** shall be published, as soon as practicable. If the **finding** and/or **order** of the **Tribunal** is published before the expiry of the 28 days within which an application for permission to appeal may be made pursuant to **IDR 61.1** or **61.2** any publication shall make clear that such an **order** may be subject to **appeal**.
- 59.2 The **record of decision** of a **Tribunal** shall not be published until after the expiry of the period allowed for an application for permission to appeal to be made and shall be published as soon as reasonably practicable thereafter if no such an application has been made.
- 59.3 If an application for permission to appeal has been made against one or more **orders** made by a **Tribunal**, the **record of decision** of the **Tribunal** shall not be published unless, and until, either the application for permission to appeal is refused, the **appeal** is abandoned or the subsequent **appeal** is dismissed by an **Appeal Panel**.
- 59.4 Unless the **Tribunal** otherwise directs, the **record of decision** of the **Tribunal** shall state the name of the **member, firm, affiliate** or **relevant person**, the **bye-law** and/or regulation under which the **formal allegation(s)** were brought and describe the **finding(s)** and the **order(s)** (if any) made against them. The published **record of decision** need not include the name of any other person or body concerned in the **formal allegations**.
- 59.5 Where a **Tribunal** dismisses all **formal allegations**, the **order** and **record of decision** of the **Tribunal** shall only be published if the **member, firm, affiliate** or **relevant person** so requests.
- 59.6 Where published, an **order** of a **Tribunal** (including a **settlement order** or **interim order**) shall remain published on the **ICAEW Disciplinary Database** for the period specified in the **ICAEW Disciplinary Database policy**.

REVIEW OF DECISIONS / CORRECTION OF ERRORS

- 60.1 The **Tribunal Chair** may, of their own volition or upon application by either **party**, review any **order** made by the **Tribunal** or the **record of decision** and may, on such review, correct any accidental slip or omission in the **order** or the **record of decision** that does not accurately reflect the **findings**, reasoning and / or **orders** of the **Tribunal**.
- 60.2 An application made under **IDR 60.1** above shall be made within 28 days from the date the **record of decision** of the **Tribunal** was served on the **parties**.

APPEALS

Application for permission to appeal

- 61.1 A **member, firm, affiliate** or **relevant person** who, or which, is the subject of an **order** made by a **Tribunal** in relation to one or more **formal allegations** may apply for permission to appeal against the **order** within 28 days beginning with the date of service on them of the **Tribunal's record of decision**.
- 61.2 The **Conduct Department** may apply for permission to appeal against an **order** of a **Tribunal** within 28 days beginning with the date of service on the **parties** of the **record of decision** of the **Tribunal** where, in the opinion of the **PSD Chief Officer**, there is a clear public interest in an **appeal** being brought.
- 61.3 A **party** making an application for permission to appeal shall serve a written application on the **Head of Committees and Tribunals** specifying:
- the **orders** of the **Tribunal** they wish to appeal;
 - the ground or grounds of appeal set out in **IDR 62.1** they rely upon in support of the application; and
 - the reasons in support of each ground of appeal, and enclosing any documents in support of the application.
- 61.4 An application for permission to appeal shall only be granted (in whole or in part) if the **appeal** is determined by the **Appeal Committee Chair** (or, if they are unavailable, by an **Appeal Committee Vice Chair**) to have a reasonable prospect of success on one of more of the grounds of appeal set out in **IDR 62.1** or if there is another compelling reason for the **appeal** to be heard (and where an application for permission to appeal is determined by an **Appeal Committee Vice Chair**, references to the **Appeal Committee Chair** in **IDRs 62.1 – 63.5** shall be treated as applying to the **Appeal Committee Vice-Chair** also).

Grounds for appeal against an order by a Tribunal

- 62.1 An **appeal** against an **order** of a **Tribunal** may only be upheld on one or more of the following grounds:
- the **Tribunal** made an error in law or in its interpretation of any **bye-law**, any regulation (whether made by **ICAEW** or otherwise) or relevant technical standard or guidance which would have altered one or more of its **findings** and/or **orders**; and/or
 - one or more of the **Tribunal's findings** and/or **orders** was or were unjust because of a serious procedural or other irregularity in the proceedings; and/or
 - the **Tribunal** failed to take into account relevant evidence which would have altered one or more of its **findings** and/or **orders**; and/or
 - there is significant, new evidence that was not available at the time of the **final hearing** or **sanctions hearing**, and which the **party** could not with reasonable diligence have been expected to obtain, which would have altered one or more of the **Tribunal's findings** and/or **orders**; and/or
 - the **Tribunal** made a material mistake of fact or a series of mistakes of fact which would have altered one or more of its **findings** and/or **orders**; and/or

- f. one or more of the **Tribunal's orders** were unreasonable and/or disproportionate in the light of the **findings** that it made.

62.2 After receiving an application for permission to appeal, the **Head of Committees and Tribunals** shall provide a copy of the application to the other **party** who, or which, shall have 21 days from the date of service of the application on them to serve an **answer**.

62.3 Upon receiving an **answer**, or following the expiry of the time period set out in **IDR 62.2** (whichever is the earlier), the **Head of Committees and Tribunals** shall:

- a. serve a copy of any **answer** on the **party** applying for permission to appeal; and
- b. provide the following documents to the **Appeal Committee Chair**:
 - i. the **order(s)** made by the **Tribunal** which is or are the subject of the application for permission to appeal and the **Tribunal's record of decision**;
 - ii. the application for permission to appeal and any documents submitted in support of the application; and
 - iii. any **answer**.

62.4 The application for permission to appeal shall be determined by the **Appeal Committee Chair** on the papers, save where the **Appeal Committee Chair** may direct that the application be determined at an oral **hearing** (and the **Appeal Committee Chair** must so direct that there be an oral **hearing** if they are of the opinion that the application cannot be fairly determined on the papers without a **hearing**). Before determining the application, the **Appeal Committee Chair** may request from the **parties** any additional documentation and/or information that was not provided pursuant to **IDR 62.3(b)** and the **Appeal Committee Chair** shall provide the **parties** with written reasons for their decision on the application.

62.5 Where the **Appeal Committee Chair** determines that permission to appeal should be granted (either in whole or in part) in relation to one or more **orders** of the **Tribunal**, the **Appeal Committee Chair** shall make an **order** to that effect and shall determine whether a **pre-hearing review** should take place.

62.6 Where the **Appeal Committee Chair** allows permission to appeal based on the ground of appeal set out in **IDR 62.1(d)**, the **party** making the application for permission shall be entitled to rely on that new evidence at the **appeal hearing**.

62.7 Upon receipt of the **order** allowing the application for permission (either in whole or in part) and written reasons from the **Appeal Committee Chair**, the **Head of Committees and Tribunals** shall as soon as reasonably practicable:

- a. provide a copy of the **order** and the written reasons to the **parties**;
- b. request the **Appeal Committee Chair** to appoint an **Appeal Panel** in accordance with **IDR 7.6** for the **appeal hearing** and any **pre-hearing review**;
- c. fix a date for any **pre-hearing review** requested by the **Appeal Committee Chair** pursuant to **IDR 62.5** and provide **notice** of the date, time, location or format of the **pre-hearing review** to the **parties**; and
- d. fix a date for the **appeal hearing** and provide **notice** of the date, time, location or format of the **appeal hearing** to the **parties**.

The date for any **pre-hearing review** (or **appeal hearing** where there is no **pre-hearing review**) shall be at least 28 days after the service of **notice** on the **parties** pursuant to this **IDR**.

- 62.8 Where the **Appeal Committee Chair** refuses the application for permission, the **Head of Committees and Tribunals** shall provide copy of the **order** and the **Appeal Committee Chair's** written reasons for the decision to the **parties** as soon as practicable.
- 62.9 A decision by the **Appeal Committee Chair** to refuse an application for permission to appeal shall conclude the **disciplinary proceedings**, and the **order(s)** of the **Tribunal** shall come into effect and be published, as appropriate, in accordance with **IDRs** 59.1 – 59.6.
- 62.10 A **party** may only amend the grounds of appeal specified in the application with the permission of the **Appeal Committee Chair**. Before determining any such request, the **Appeal Committee Chair** shall provide both **parties** with an opportunity to make written representations on any proposed amendment(s).
- 62.11 A **party** may withdraw any application for permission to appeal, or an **appeal**, at any time, by serving a **notice** to that effect on the **Head of Committees and Tribunals**.

APPLICATION FOR PERMISSION TO APPEAL OUT OF TIME

- 63.1 A **party** may make a late application for permission to appeal after the expiry of the 28 day period specified in **IDR** 61.1 by serving an application on the **Head of Committees and Tribunals** which shall include the information set out in **IDR** 61.3 and the reasons (and any evidence) as to why the application could not reasonably be expected to have been made within the period specified.
- 63.2 Upon receipt of a late application pursuant to **IDR** 63.1, the **Head of Committees and Tribunals** shall provide a copy of the application and the reasons for late service to the other **party** who, or which, shall have 14 days from the date of service of the application to make representations on the reasons for late service.
- 63.3 After the expiry of 14 days, or receipt of representations on the reasons for late service (if earlier) from the other **party**, the **Head of Committees and Tribunals** shall provide a copy of the application and any representations to the **Appeal Committee Chair** who shall determine whether the late application should be allowed on the papers and they shall provide written reasons for their determination. The **Head of Committees and Tribunals** shall then notify the **parties** of the **Appeal Committee Chair's** decision and provide them with a copy of the **Appeal Committee Chair's** reasons.
- 63.4 Where the **Appeal Committee Chair** determines that the application for permission to appeal out of time should be refused, that determination shall be final.
- 63.5 Where the **Appeal Committee Chair** determines that the application for permission to appeal out of time should be allowed, the responding **party** shall have 21 days from the date of service of the **notice** pursuant to **IDR** 63.3 to provide an **answer** to the application for permission to appeal to the **Head of Committees and Tribunals** and to serve a copy of the

answer on the other **party**. Once the **answer** is received or following the expiry of 21 days (whichever is the earlier), the **Head of Committees and Tribunals** shall request the **Appeal Committee Chair** to consider the application for permission to appeal and any **answer** in accordance with the test set out in **IDR 61.4**.

PRE-HEARING REVIEW

- 64.1 Once an **Appeal Panel** has been appointed pursuant to **IDR 62.7**, the **Appeal Panel Chair** may, of their own volition, or on application by either **party** at any stage in the **appeal** proceedings, direct that there be a **pre-hearing review**.
- 64.2 The **pre-hearing review** shall be conducted in private and shall take place as a telephone or video conference, unless the **Appeal Panel Chair**, in their absolute discretion, directs otherwise. There shall be no advance publicity of the date of the **pre-hearing review**.
- 64.3 At a **pre-hearing review**, an **Appeal Panel Chair** may consider any applications for **directions** made by the **parties** and any written representations relating to such applications and shall give such **directions** as they consider necessary for the purpose of securing the just, expeditious or economic disposal of the proceedings, which may include **directions** relating to, among other matters:
- a. whether the **Appeal Panel** should hear more than one **appeal** from the member, firm, affiliate or relevant person at the appeal hearing;
 - b. whether the **Appeal Panel** should hear **appeals** from more than one **member, firm, affiliate** or **relevant person** arising out of the same **event** or **events** at the **appeal hearing**;
 - c. the amendment of any grounds of appeal or **answer**;
 - d. the admission of any facts by either **party**;
 - e. the documents to be considered by the **Appeal Panel**;
 - f. any application to admit new evidence in accordance with the test set out in **IDR 41.3**, other than that admitted pursuant to **IDR 62.6**;
 - g. the admissibility of any new evidence served by a **party** in response to new evidence which has been admitted pursuant to **IDR 62.6**;
 - h. any application for oral evidence to be given at the **appeal hearing**;
 - i. whether the **appeal hearing**, or part of the **appeal hearing**, should be held in private;
 - j. changing the date of the **appeal hearing**;
 - k. the length of the **appeal hearing**; and
 - l. the venue or platform for the **appeal hearing**.

Private hearing applications

- 65.1 If a **party** wishes to apply for the whole or part of an **appeal hearing** to be held in private, that application must be made in writing to the **Head of Committees and Tribunals** within 14 days of the **parties** being notified of the date fixed for the **appeal hearing**.
- 65.2 After receiving an application under **IDR 65.1**, the **Head of Committees and**

Tribunals shall:

- a. fix a date for a **pre-hearing review** to consider the **private hearing application** (if a **pre-hearing review** has not already been arranged) and notify the **parties** of the date, time, location or format of the **pre-hearing review**; and
- b. provide a copy of the **private hearing application** to the other **party** who, or which, may make written representations to the **Head of Committees and Tribunals** within 7 days of the service of the application on them.

65.3 The **private hearing application** shall be determined by the **Appeal Panel Chair** at the **pre-hearing review**.

65.4 **Appeal hearings** shall be held in public unless the **Appeal Panel Chair** accedes to a **private hearing application** made by a **party**, or concludes, of their own volition, that the press and public should be excluded from the whole, or part, of the **appeal hearing** in the interests of justice and / or due to the exceptional circumstances of the case outweighing the public interest in the **appeal hearing** being held in public.

65.5 The **Appeal Panel Chair** shall provide a summary of reasons to the **parties** for allowing or refusing a **private hearing application**.

APPEAL HEARINGS

General provisions

66.1 Subject to **IDR 66.2**, the name of the **member, firm, affiliate** or **relevant person** who or which is the subject to the **formal allegation(s)**, the date, time, location or format of the **hearing**, and the terms of the **bye-law** and/or regulation under which the **formal allegation** is, or the **formal allegations** are, brought, shall be published on the **ICAEW** website at least 7 days prior to any **hearing** of an **Appeal Panel**.

66.2 **IDR 66.1** shall not apply where, prior to the **appeal hearing**, a **party** has made a successful application for the **appeal hearing** to be heard in private or the **Appeal Panel** has determined of its own volition that the **appeal** should be heard in private.

66.3 Where, prior to the start of an **appeal hearing**, a member of an **Appeal Panel**, appointed in accordance with **IDR 62.7**, is unable to attend the **appeal hearing**, the **Appeal Committee Chair** shall appoint another member of the **Appeal Committee** to the **Appeal Panel**. If no suitable member of the **Appeal Committee** is available on the date(s) fixed for the **appeal hearing**, the **Head of Committees and Tribunals** shall fix a new date for the **appeal hearing** and shall notify the **parties** of the new date.

66.4 Where, after the start of the **appeal hearing**, any member of the **Appeal Panel** is, for any reason, unable to continue to attend, the **Appeal Panel** will no longer be quorate and may not continue. In such circumstances, the **Head of Committees and Tribunals** shall request the **Appeal Committee Chair** (or, if the **Appeal Panel Chair** is the **Appeal Committee Chair**, an **Appeal Committee Vice Chair**) to appoint a new **Appeal Panel** in accordance with **IDR 7.6** and shall fix a date and time for the **appeal hearing** to take place. No members of the original **Appeal Panel** shall be appointed as members of the new **Appeal Panel**.

- 66.5 If, at any time during an **appeal hearing**, the **Appeal Panel Chair** is, for any reason, of the opinion that it is impracticable or would be contrary to the interests of justice for the **appeal** to be completed by that **Appeal Panel**, they shall so inform the **Appeal Committee Chair** (or, if the **Appeal Panel Chair** is the **Appeal Committee Chair**, an **Appeal Committee Vice Chair**) who shall thereupon direct that the **appeal** be re- heard by a new **Appeal Panel** so appointed. No members of the original **Appeal Panel** shall be appointed as members of the new **Appeal Panel**.
- 66.6 An **appeal hearing** may proceed in the absence of the **member, firm, affiliate** or **relevant person** where the **Appeal Panel** is satisfied that each **party** has been notified of the date, time, location or format of the **appeal hearing** in accordance with these **IDRs** and that proceeding is desirable for securing the just, expeditious and economic disposal of the **formal allegation(s)**. A **member, firm, affiliate** or **relevant person** may be represented by a **representative** and a **member, firm, affiliate** or **relevant person** will be deemed present when they appear by their **representative**.
- 66.7 An **Appeal Panel** may adjourn proceedings of its own volition or on the application of either **party**. A **party** may also make an application to the **Appeal Panel Chair** for a further adjournment before the **appeal hearing** is resumed which must be copied to the other **party** who shall be entitled to make written representations on the application before a decision is made by the **Appeal Panel Chair**.
- 66.8 A **party** may only amend the grounds on which an **appeal** is brought, or any **answer**, at an **appeal hearing** with the permission of the **Appeal Panel**.
- 66.9 An **Appeal Panel** may deliberate in private in the absence of the **parties** and their representatives at any time.
- 66.10 An **Appeal Panel** may admit new evidence (permission for which was not given at a **pre-hearing review**) but shall apply the test set out in **IDR 41.3**.
- 66.11 Unless it directs otherwise, or it is agreed between the **parties**, an **Appeal Panel** will not receive oral evidence.
- 66.12 An **appeal hearing** will be limited to a review of the decision of the **Tribunal** unless the **Appeal Panel** considers that in the circumstances of an individual **appeal** it would be in the interests of justice to hold a re-hearing.

Private hearing applications

- 67.1 Notwithstanding the refusal of a **private hearing application** at a **pre-hearing review**, an **Appeal Panel** may at any stage of the **appeal hearing** consider an oral application for the whole or part of the **appeal hearing** to be held in private.
- 67.2 Where an oral application is made to an **Appeal Panel** to hold the whole or part of the **appeal hearing** in private, that application shall be heard in private.
- 67.3 Where the application is successful, or where the **Appeal Panel** otherwise decides of its

own motion to hold the whole, or part, of the **appeal hearing** in private, the reason(s) for its decision will be given by the **Appeal Panel** in public on the day that the decision is made provided always that such reasons as are given shall not, in the opinion of the **Appeal Panel**, unreasonably undermine the purpose of proceeding in private.

67.4 The **Appeal Panel's** reasons for having proceeded in private will be published with the **record of decision**, provided always that such reasons as are given shall not, in the opinion of the **Appeal Panel**, unreasonably undermine the purpose of having proceeded in private. In the event that an **Appeal Panel** decides that the **formal allegation(s)** have not been proved, such reasons will only be published if the **member, firm, affiliate or relevant person** so requests.

67.5 An **Appeal Panel** may exclude from the **appeal hearing**, or from part of the **appeal hearing**, any person or persons whose conduct has disrupted or, in the opinion of the **Appeal Panel**, is likely to disrupt the **appeal hearing**.

Order of proceedings at an appeal hearing

68.1 Where a **member, firm, affiliate or relevant person** does not attend an **appeal hearing** but provides written representations, the **Appeal Panel** may take these representations into account when determining the **appeal**.

68.2 An **appeal hearing** shall be informal and the strict rules of evidence shall not apply. The **Appeal Panel** may adopt any method of procedure which it considers fair and which gives each **party** the opportunity to present their case. Unless an **Appeal Panel** directs otherwise, the order of proceedings will be as follows:

- a. the **party** bringing the **appeal** (or their representative) may address the **Appeal Panel** first and adduce any new evidence which is admissible under **IDRs** 62.6, 64.3(f), 64.3(g) or 66.10;
- b. the other **party** may then address the **Appeal Panel** and adduce any new evidence permitted at any **pre-hearing review** or in accordance with **IDR** 66.10;
- c. where permission is given for a witness to be called by either **party**, the witness may, after being questioned by the **party** calling them, be questioned by the other **party**. They may then be re-examined by the **party** calling them but only in relation to the evidence given by them under cross-examination. The **Appeal Panel** may ask questions of any witness at any stage during their evidence. The **Appeal Panel** may, on the application of a **party**, agree that the identity of a witness should not be revealed to the public. Witnesses will not be required to swear an oath or affirm;
- d. the **parties** may make closing addresses to the **Appeal Panel** with the final address being made by the **party** bringing the **appeal**.

Orders available to the Appeal Panel (other than interim orders)

69.1 After hearing an **appeal** against an **order** (other than an **interim order**) of a **Tribunal**, an **Appeal Panel** shall make an **order** or **orders**, as appropriate, in accordance with **Disciplinary Bye-law** 14.3.

69.2 Where an **Appeal Panel** dismisses the **appeal, in whole or in part**, made by a **member, firm, affiliate or relevant person**, it may make a **costs order** against the **member, firm,**

affiliate or **relevant person** in respect of **ICAEW's** costs of responding to the **appeal** in such sum as the **Appeal Panel** may in its absolute discretion determine. Prior to making any such **costs order**, the **Appeal Panel** shall:

- a. hear and consider submissions from the **member, firm, affiliate** or **relevant person** (or their **representative**) and the **Conduct Department representative**, in respect of the **costs schedule** provided by the **Conduct Department** to the **Appeal Panel** and the **member, firm, affiliate** or **relevant person** prior to the **appeal hearing**; and
- b. have regard to any statement of means, supported with a signed statement of truth, and evidence of income and assets provided by the **member, firm, affiliate** or **relevant person**.

- 69.3 Any sum ordered to be paid pursuant to **IDR 69.2** shall be payable in addition to any **costs order** made against the **member, firm, affiliate** or **relevant person** by the **Tribunal**.
- 69.4 Where an **Appeal Panel** allows an **appeal** by a **member, firm, affiliate** or **relevant person** against all **orders** made by a **Tribunal**, the **Appeal Panel**:
- a. shall order that any **costs order** made by the **Tribunal** be rescinded; and
 - b. may, on the application of the **member, firm, affiliate** or **relevant person**, make a **costs order** against **ICAEW** subject to **IDRs 69.5** and **69.6**.
- 69.5 In determining whether to make a **costs order** pursuant to **IDR 69.4**, an **Appeal Panel** shall take into account the public policy applied in the civil courts that costs awards should only be made against a regulator in exceptional circumstances to safeguard against the risk that the regulator may be fettered in exercising its disciplinary functions due to the risk of adverse costs orders.
- 69.6 If the **Appeal Panel** determines to make a **costs order** against **ICAEW**, it shall be limited to a maximum of £35,000 unless the **Appeal Panel** determines that:
- a. no reasonable regulator would have prosecuted the **formal allegation(s)**; or
 - b. the **formal allegation(s)** had been brought in bad faith; or
 - c. the way in which the **Conduct Department** had conducted the **disciplinary proceedings** had unreasonably increased the costs incurred by the **member, firm, affiliate** or **relevant person** so that their costs had exceeded £35,000; or
 - d. the absence of a larger **costs order** against **ICAEW** would give rise to significant hardship for the **member, firm, affiliate** or **relevant person**.
- 69.7 Any costs payable by **ICAEW** shall be limited to the costs reasonably incurred by the **member, firm, affiliate** or **relevant person** since the date of the referral of the **formal allegations** to the **Tribunals Committee**.
- 69.8 If an **Appeal Panel** allows an **appeal** against one or more, but not all, **orders** made by the **Tribunal**, it may order that any **costs order** made by the **Tribunal** be rescinded or varied.

- 69.9 Where an **Appeal Panel** dismisses an **appeal** by the **Conduct Department** against one or more **orders** made by a **Tribunal**, the **Appeal Panel** may consider whether a **costs order** should be made against **ICAEW** having regard to the consideration set out at **IDR 69.5**.
- 69.10 Any **costs order** made in accordance with **IDR 69.9** against **ICAEW** shall be in respect of the costs of the **member, firm, affiliate** or **relevant person** in responding to the **appeal** and shall be limited to £10,000 unless the **Appeal Panel** determines that:
- no reasonable regulator would have brought the **appeal**; or
 - the **appeal** had been brought in bad faith; or
 - the way in which the **Conduct Department** had conducted the **appeal** had unreasonably increased the costs incurred by the **member, firm, affiliate** or **relevant person** so that their costs had exceeded £10,000; or
 - the absence of a larger **costs order** against **ICAEW** would give rise to significant hardship for the **member, firm, affiliate** or **relevant person**.
- 69.11 Where an **Appeal Panel** allows an **appeal** by the **Conduct Department**, it may make a **costs order** against a **member, firm, affiliate** or **relevant person** but any such **costs order** shall be limited to the costs reasonably incurred by the **Conduct Department** up to and including the **final hearing** (or **sanctions hearing**) only, and shall not include any costs incurred by the **Conduct Department** in bringing the **appeal**. Prior to making any **costs order**, the **Appeal Panel** shall follow the procedure set out in **IDR 69.2**.

APPEALS AGAINST INTERIM ORDERS

- 70.1 A **member, affiliate** or **relevant person** may appeal an **interim order** by serving a **notice of appeal** on the **Head of Committees and Tribunals** within 28 days of service on them of the **Tribunal's record of decision** specifying one or more of the grounds of appeal set out in **IDR 70.3**. For the avoidance of doubt, the **Conduct Department** may not appeal a refusal by a **Tribunal** of an **interim order application**.
- 70.2 Where a **member, affiliate** or **relevant person** serves a **notice of appeal** in accordance with **IDR 70.1**, the **interim order** shall remain in force pending the determination of the **appeal** by an **Appeal Panel**.
- 70.3 The grounds on which an **interim order** may be appealed are:
- the test for making an **interim order** set out in **IDR 30.2** has not been met; and/or
 - the **interim order** is excessive; and/or
 - the **interim order** is unjust because of a serious procedural or other irregularity in the proceedings before the **Tribunal**.
- 70.4 On receiving a **notice of appeal** in relation to an **interim order**, the **Head of Committees and Tribunals** shall:
- serve a copy of the **notice of appeal** on the **Conduct Department representative**;
 - request the **Appeal Committee Chair** to appoint an **Appeal Panel**; and

- c. notify both **parties** of the date, time, location or format of the **appeal hearing** which shall be at least 14 days from the date of service of **notice** of the **appeal hearing** on the **parties**.

70.5 The **Conduct Department** may serve on the **member, affiliate** or **relevant person**, and the **Head of Committees and Tribunals**, an **answer** to the **notice of appeal** against the **interim order** at least 7 days before the date fixed for the **appeal hearing**.

Conduct of an interim order appeal hearing

71.1 **IDRs** 66 - 68 shall apply to the conduct of an **appeal hearing** in relation to an **interim order** to the extent relevant.

Orders of an Appeal Panel on hearing an appeal against an interim order

72.1 After hearing the **appeal**, the **Appeal Panel** may make any of the **orders** set out in Disciplinary Bye-law 14.3.

72.2 Where an **Appeal Panel** dismisses an **appeal** against an **interim order**, an **Appeal Panel** may order the **member, affiliate** or **relevant person** to pay to **ICAEW** such a sum in respect of **ICAEW's** costs of responding to the **appeal** as the **Appeal Panel** may in its absolute discretion determine. Prior to making any such **costs order**, the **Appeal Panel** shall follow the process set down in **IDR** 69.2 and any costs ordered by the **Appeal Panel** shall be payable in addition to any **costs order** of the **Tribunal**.

72.3 Where an **Appeal Panel** allows an **appeal** by a **member, affiliate** or **relevant person** against an **interim order** made by a **Tribunal**, the **Appeal Panel**:

- a. shall order that any **costs order** made by the **Tribunal** be rescinded; and
- b. may, on application of the **member, affiliate** or **relevant person**, make a **costs order** against **ICAEW**, subject to **IDRs** 72.4 and 72.5.

72.4 In determining whether to make a **costs order** under **IDR** 72.3, an **Appeal Panel** shall take into account the public policy applied in the civil courts that costs awards should only be made against a regulator in exceptional circumstances to safeguard against the risk that the regulator may be fettered in exercising its disciplinary functions due to the risk of adverse costs orders.

72.5 If the **Appeal Panel** determines to make a **costs order** against **ICAEW**, it shall be limited to a maximum of £15,000 unless the **Appeal Panel** determines that:

- a. no reasonable regulator would have made the **interim order application**; or
- b. the **interim order application** was made in bad faith; or
- c. the costs incurred by the **member, affiliate** or **relevant person** in responding to, and appealing, the **interim order application** were unreasonably increased above £15,000 as a result of the way in which the **interim review application** was brought and / or the **appeal** was responded to by the **Conduct Department**; or
- d. the absence of a larger **costs order** against **ICAEW** would give rise to significant hardship for the **member, affiliate** or **relevant person**.

72.6 Where the **Appeal Panel** determines to make a **costs order** against **ICAEW** in accordance with **IDR 72.3**, it shall give the **Conduct Department representative** and the **member, affiliate or relevant person** (or their **representative**) an opportunity to make representations on the amount of costs claimed by the **member, affiliate or relevant person** before determining the amount to be paid by **ICAEW** by way of costs.
