51. Where a **Review Panel** upholds the **review application**, the **order** and **record of decision** of the **Review Panel** shall only be published if the **applicant** so requests.
52. Unless the **Review Panel** directs, the **record of decision** of the **Review Panel** shall state the name of the **applicant** and the **orders** (if any) made against them but need not include the name of any other person or body concerned in the case. A **Review Panel** may only direct that the name of the **applicant** be redacted from any **order** or the **record of decision** where, in its opinion, there are exceptional circumstances which outweigh the public interest in its publication.
53. Where a **Review Panel** makes an adverse **order** against an **applicant**, details of the **order** (other than an **order** in relation to a **review application** under the **Professional Indemnity Insurance Regulations**) shall remain published on the **ICAEW Disciplinary Database** for the period set out in **ICAEW's Disciplinary Database policy**.
54. Where the **Review Panel** rejects a **review application** in relation to a decision of the **Professional Indemnity Insurance Committee**, it may redact (for publication) parts of the **order** or **record of decision** which would reveal commercially sensitive information regarding the **applicant's** insurance arrangements.

APPEALS TO THE APPEAL COMMITTEE

55. Subject to **regulation** 56, an **applicant** may appeal an **order** of a **Review Panel** to the **Appeal Committee** in accordance with the relevant **principal regulations** unless:
 - a. the **order** made by the **Review Panel** is in relation to a **review application** in accordance with the **Professional Indemnity Insurance Regulations** (where the decision of the **Review Panel** is final); or
 - b. the **order** made by the **Review Panel** is in relation to a **review application** in accordance with the **Legal Services Regulations** (where an appeal must be made to the Appeal Tribunal specified in the **Legal Services Regulations**); or
 - c. the only **order** being appealed is a **costs order** made by the **Review Panel**.
56. An **appeal** may only be made against an **order** made by a **Review Panel** on one or more of the grounds set out in the relevant **principal regulations**.

Service of a notice of appeal

57. An **applicant** may commence an appeal by serving a **notice of appeal** on the **Head of Committees and Tribunals** within the time period specified in the relevant **principal regulations**.
58. Upon receipt of a **notice of appeal**, the **Head of Committees and Tribunals** shall as soon as reasonably practicable:
 - a. provide a copy of the **notice of appeal** to the **ICAEW representative**;
 - b. request the **Appeal Committee Chair** to appoint an **Appeal Panel** for the **appeal hearing**; and
 - c. fix a date for the **appeal hearing** which shall, unless both **parties** consent to a

shorter notice period, be no earlier than 35 **business days** from the date of service of the **notice** and confirm the date, time, location or format of the **appeal hearing** to the **parties**.

59. The **ICAEW representative** shall have 15 **business days** to serve an **answer** to the **notice of appeal** on the **applicant** and the **Head of Committees and Tribunals**, together with any supporting evidence (an application will need to be made at a **pre-hearing review** for the admission of any new evidence).
60. An **applicant** may, at any time, withdraw an **appeal**, by serving a **notice** to that effect on the **Head of Committees and Tribunals**. The **order** of the **Review Panel** will come into effect immediately on receipt of that **notice** by the **Head of Committees and Tribunals** who shall arrange for the **order** and the **record of decision** of the **Review Panel** to be published as soon as practicable in accordance with **regulations 48 - 54**.

Application for permission to appeal out of time

61. An **applicant** may make an application for permission to appeal after the expiry of the period specified in the relevant **principal regulations** by serving on the **Head of Committees and Tribunals** a **notice of appeal** together with a statement of reasons as to why the application was not made within the period specified (and any supporting evidence).
62. Upon receipt of an application pursuant to **regulation 61**, the **Head of Committees and Tribunals** shall provide a copy of the **notice of appeal** and the statement of reasons to the **ICAEW representative** who shall have 10 **business days** from service of the application to make representations on the statement of reasons.
63. After the expiry of 10 **business days**, or receipt of representations from the **ICAEW representative** (if earlier), the **Head of Committees and Tribunals** shall provide a copy of the application, the statement of reasons and any representations to the **Appeal Committee Chair** who shall determine on the papers whether the application should be allowed and who shall provide reasons to support their determination. The **Appeal Committee Chair** shall only allow the application to proceed if they consider that there are good reasons why the **notice of appeal** could not reasonably have been served by the **applicant** within the time limit specified in the **principal regulations**.
64. The **Head of Committees and Tribunals** shall notify the **parties** of the **Appeal Committee Chair's** decision and provide them with a copy of the **Appeal Committee Chair's** reasons.
65. Where the **Appeal Committee Chair** determines that the application for permission to appeal out of time should be refused, that determination shall conclude the **regulatory proceedings**.

66. Where the **Appeal Committee Chair** determines that the application for permission to appeal out of time should be allowed, the process for hearing the **appeal** shall proceed in accordance with **regulations** 57-60 and **regulation** 67 onwards. Private hearing applications
67. **Appeal hearings** in **regulatory proceedings** shall be held in public unless a **party** makes a successful **private hearing application**.
68. Where an **appeal hearing** is to be held in public, the name of the **applicant**, the nature of the **appeal**, and the date, time, location or format of the **hearing** shall be published on the **ICAEW** website at least 7 days prior to the **appeal hearing**.
69. If a **party** wishes to apply for all or part of any **appeal hearing** to be held in private, a **private hearing application** must be made in writing to the **Head of Committees and Tribunals** within 10 **business days** of the **parties** being notified of the date fixed for the **appeal hearing**, setting out the reasons why the **party** considers that the **appeal hearing** should be held in private.

Pre-hearing review

70. Once an **Appeal Panel** has been appointed in accordance with **regulation** 58, the **Appeal Panel Chair** may, of their own volition, or on an application by either **party** (including a request to consider a **private hearing application**) direct the **Head of Committees and Tribunals** to arrange for a **pre-hearing review** to take place prior to the date fixed for the **appeal hearing**.
71. At a **pre-hearing review**, an **Appeal Panel Chair** may consider any applications for **directions** made by the **parties** (made either orally at the **pre-hearing review** or in written representations) and shall give such **directions** as they think necessary for the purpose of securing the just, expeditious or economic disposal of the **regulatory proceedings**, which may include **directions** relating to:
- whether the **Appeal Panel** should hear at the same **appeal hearing** more than one **appeal** by an **applicant** against **orders** made by **Review Panels**;
 - whether the **Appeal Panel** should hear **appeals** by two or more **applicants** in relation to separate **regulatory proceedings** at the same **appeal hearing**;
 - any amendment of the **notice of appeal** (including the grounds of appeal) or the **answer**;
 - the admissibility of any new evidence by either **party**;
 - the admission of any facts by either **party**;
 - the documents to be considered by the **Appeal Panel**;
 - whether the **appeal hearing** or part of the **appeal hearing** should be held in private (where this is requested by a **party**, an application must have been made prior to the **pre-hearing review** in accordance with **regulation** 69);
 - any application for oral evidence to be given at the **appeal hearing**;
 - changing the date or the length or the venue or platform of the **appeal hearing**.

72. When considering a **private hearing application**, an **Appeal Panel Chair** shall only make an **order** that an **appeal hearing** be held in private where they conclude that the press and public should be excluded from the whole, or part, of an **appeal hearing** in the interests of justice and/or due to the exceptional circumstances of the case which outweigh the public interest in the **appeal hearing** being held in public.

Conduct of an appeal hearing - general provisions

73. Where, prior to the start of an **appeal hearing**, a member of an **Appeal Panel**, appointed in accordance with **regulation 58**, is unable to attend the **appeal hearing**, the **Appeal Committee Chair** shall appoint another member of the **Appeal Committee** to the **Appeal Panel**. If no suitable member of the **Appeal Committee** is available on the date(s) fixed for the **appeal hearing**, the **Head of Committees and Tribunals** shall fix a new date for the **appeal hearing** and shall notify all **parties** of the new date.
74. Where, after the start of the **appeal hearing**, any member of the **Appeal Panel** is, for any reason, unable to continue to attend, the **Appeal Panel** will no longer be quorate and may not continue. In such circumstances, the **Head of Committees and Tribunals** shall request the **Appeal Committee Chair** to appoint a new **Appeal Panel** and shall fix a date and time for the **appeal hearing** to take place. No members of the original **Appeal Panel** shall be appointed as members of the new **Appeal Panel**.
75. If, at any time during an **appeal hearing**, the **Appeal Panel Chair** is for any reason of the opinion that it is impracticable or would be contrary to the interests of justice for the **hearing** to be completed by that panel, they shall so inform the **Appeal Committee Chair** or any **Appeal Committee Vice-Chair** who shall thereupon direct that the **appeal** be re-heard by a new **Appeal Panel** so appointed. (If the **Appeal Panel Chair** is the **Appeal Committee Chair**, they shall direct that the **appeal** be re-heard by a new **Appeal Panel**).
76. An **appeal hearing** may proceed in the absence of the **applicant** where the **Appeal Panel** is satisfied that the **applicant** has been notified of the date, time, location or format of the **appeal hearing** in accordance with these **regulations** and that proceeding is desirable for securing the just, expeditious and economic disposal of the **appeal**.
77. An **Appeal Panel** may adjourn proceedings of their own volition or on the application of either **party**. A **party** may also make an application to the **Appeal Panel Chair** for a further adjournment before the **appeal hearing** is resumed, which must be copied to the other **party** who shall be entitled to make written representations on the application before a decision is made by the **Appeal Panel Chair**.
78. A **party** may only amend the **notice of appeal** or any **answer** at an **appeal hearing** with the permission of the **Appeal Panel**.
79. An **Appeal Panel** may deliberate in private in the absence of the **parties** and their representatives at any time.
80. The **Appeal Panel** may exclude from the **appeal hearing**, or from part of the

appeal hearing, any person or persons whose conduct has disrupted or, in the opinion of the **Appeal Panel**, is likely to disrupt the **hearing**.

81. Unless it directs otherwise, or it is agreed between the **parties**, an **Appeal Panel** will not receive oral evidence.
82. An **appeal hearing** will be limited to a review of the **order** of the **Review Panel** unless the **Appeal Panel** considers that in the circumstances of the individual appeal it would be in the interests of justice to hold a re-hearing.

Conduct of the appeal hearing - order of proceedings

83. At the start of the **appeal hearing**, the **Appeal Panel** shall consider as a first matter any representations from the **ICAEW representative** on whether the **appeal** falls within one or more of the grounds of appeal set out in the relevant **principal regulations**. If such representations are made, the **Appeal Panel** shall consider any representations made in response by the **applicant**.
84. Where the **Appeal Panel** considers, after hearing any representations, that the **appeal** does not fall within one or more of the grounds of appeal set out in the relevant **principal regulations**, it shall dismiss the **appeal**.
85. Where the **Appeal Panel** considers that the **appeal** falls within one or more grounds of appeal set out in the relevant **principal regulations**, the **Appeal Panel** shall continue to hear the **appeal** in respect of that ground or grounds only.
86. At an **appeal hearing**, the **Appeal Panel**:
 - a. shall consider the documents and evidence before it including, if relevant, the record of evidence given before, and the documents produced to, the **Review Panel**;
 - b. shall consider any written representations of the **parties** and shall provide the **parties** with a reasonable opportunity of being heard (either in person or via their representative);
 - c. may, if it thinks fit, re-hear any witness who gave oral evidence before the **Review Panel**;
 - d. may consider any evidence forming a ground for the appeal under the relevant **principal regulations**, or, in exceptional circumstances (as to which the **Appeal Panel** shall be the sole judge) receive new evidence.
87. The rules as to the admissibility of evidence in a court of law shall not apply. The **Appeal Panel** may determine the conduct of the **appeal hearing** in such manner as it considers appropriate for the clarification of the issues in the **appeal** and generally for the just conduct of the proceedings. The default process shall be:
 - a. The **applicant**, or their **representative**, shall address the **Appeal Panel** first on the merits of their **appeal**.
 - b. The **ICAEW representative** shall then address the **Appeal Panel** in response.

- c. Where a witness is called by either **party**, the witness may, after being questioned by the **party** calling them, be questioned by the other **party**. They may then be re-examined by the **party** calling them but only in relation to the evidence given by them under cross-examination. The **Appeal Panel** may ask questions of any witness at any stage during their evidence. The **Appeal Panel** may, on the application of a **party**, agree that the identity of a witness should not be revealed to the public. Witnesses will not be required to swear an oath or affirm.
- d. The **parties** may make closing addresses to the **Appeal Panel** with the **applicant** being heard last.

88. A shorthand or stenographic note of the **appeal hearing** may be taken, or a recording made, on behalf of **Appeal Panel**.

Orders available to the Appeal Panel

89. After hearing an **appeal** against an **order** of a **Review Panel**, the **Appeal Panel** must determine the **appeal** in accordance with the powers set out in the relevant **principal regulations**.
90. The **Appeal Panel** shall either notify the **parties** of its decision and any **orders** at the end of the **appeal hearing** or shall, as soon as reasonably practicable after the **appeal hearing**, notify the **Head of Committees and Tribunals** of its decision and any **orders**. The **Head of Committees and Tribunals** shall provide a copy of the **order(s)** to the **parties**. An **order** made by an **Appeal Panel** under these **regulations** shall take effect as specified in the relevant **principal regulations** (or, where this is not specified, on the date of the **order** unless the **Appeal Panel** directs that it shall take effect from some later date specified in the **order**). The **Appeal Panel** shall also provide its **record of decision** as soon as reasonably practicable to the **Head of Committees and Tribunals** who shall provide a copy of the **record of decision** to both **parties**.
91. Where an **order** is made by an **Appeal Panel** to remit a matter back to the **Review Committee** for **hearing** in accordance with the relevant **principal regulations**, it shall follow the process set out in **regulations** 25 – 54.

Costs orders

92. If an **Appeal Panel** dismisses an **appeal**, it may make a **costs order** against the **applicant** in accordance with the relevant **principal regulations**. Prior to determining the amount of any **costs order**, the **Appeal Panel** shall:
- a. hear and consider submissions from the **applicant** (or their **representative**) and the **ICAEW representative** in respect of the **costs schedule** provided by the **ICAEW representative** to the **Appeal Panel** and the **applicant** at least 3 **business days** prior to the **appeal panel hearing**; and
 - b. have regard to any statement of means, supported with a signed statement of truth, and evidence of income and assets provided by the **applicant**.
93. Unless a longer period for payment (whether by instalments or not) is allowed, any

costs order must be paid by the **applicant** within 30 days beginning with the date on which **notice** of the decision is served on the **applicant**.

94. No **costs order** may be made against **ICAEW**.

Review of decisions and correction of errors

95. The **Appeal Panel Chair** may, of their own volition or upon application by either **party**, review any **order** made by the **Appeal Panel** or the **record of decision** and may, on such review, correct any accidental slip or omission in the **order** or the **record of decision** that does not accurately reflect the findings, reasoning and / or **orders** of the **Appeal Panel**.

96. An application made under **regulation** 95 shall be made within 28 days from the date the **record of decision** of the **Appeal Panel** was served on the **parties**.

Publication of orders and records of decision of Appeal Panels

97. Where an **Appeal Panel** dismisses an **appeal**, its **order** shall be published as soon as practicable together, with the respective **records of decision** of the **Review Panel** and the **Appeal Panel**.

98. Unless the **Appeal Panel** otherwise directs, the **order** and **record of decision** of the **Appeal Panel** shall state the name of the **applicant** but need not include the name of any other person or body concerned in the case. An **Appeal Panel** may only direct that the name of the **applicant** be redacted from any **order** or the **record of decision** where, in its opinion, there are exceptional circumstances which outweigh the public interest in full publication.

99. Where an **Appeal Panel** makes an adverse **order** in respect of an **applicant**, details of the **order** shall remain published on the **ICAEW Disciplinary Database** for the period set out in **ICAEW's Disciplinary Database policy**.

100. Where an **Appeal Panel** allows the **appeal**, a notice shall be published on the **ICAEW** website indicating that the previous decision of the **Review Panel** was successfully appealed. The **order** and **record of decision** of the **Appeal Panel** shall only be published if the **applicant** so requests.

Confidentiality

101. All written material and information provided by either the **applicant** or **ICAEW** in connection with the **regulatory proceedings**, shall at all times remain confidential and no such material or information shall be disclosed (directly or indirectly) except:

- a. to legal advisers for the purposes of the **regulatory proceedings**;
- b. to any person to whom disclosure is necessary for the purposes of obtaining evidence, information or assistance in connection with the **regulatory proceedings**;

- c. where information is disclosed indirectly to members of the public in the course of a public hearing;
- d. to an insurer where disclosure is required under the terms of any policy or in connection with any application for insurance cover;
- e. where the **applicant** is a principal in, or employed by, a firm, to a principal in that firm; or
- f. where the disclosure to any person or body undertaking regulatory, disciplinary or law enforcement responsibilities is for the purpose of assisting that person or body to undertake those responsibilities or as otherwise required or allowed by law.

This **regulation** does not apply or to any advance notice of the **review panel hearing** or **appeal hearing**, or to any **order** or **record of decision** published by the **Review Panel** or **Appeal Panel** in accordance with these **regulations**.
