

Application to appoint a responsible individual

INTRODUCTION

This form is for a firm of registered auditors that wish to appoint a new responsible individual (RI) **in the UK only**.

If your firm is registered (or is also applying to be registered) to carry out audit work of Irish entities and you wish to appoint a new Irish RI, please complete the separate application form available [here](#).

The individual to be appointed must not act as an RI until the firm has received formal notification from ICAEW that this application has been approved.

If you are unsure if an RI application form is needed, please refer to the [guidance](#).

Audit Regulation 4.01 states 'Subject to regulation 4.02 and regulation 4.05 the audit compliance principal may designate as a responsible individual any of the Registered Auditor's principals or employees who:

- a. has an appropriate qualification;
- b. is competent to conduct audit work; and
- c. is allowed to sign audit reports in their name on behalf of the firm.'

The Audit Registration Committee (ARC) expects an applicant to have recent, relevant and sufficient audit experience at a suitably senior level of authority to demonstrate that they are competent to sign audit reports.

HOW TO COMPLETE THIS APPLICATION FORM

- The audit compliance principal (ACP) should complete sections 1, 3 and 4, and sign section 13 on behalf of the firm applying to appoint a new RI.
- The individual to be appointed as an RI should complete sections 2, 5 to 12, and sign section 14.
- The individual to be appointed as an RI should also complete Appendix A - Audit Experience Form (if necessary).
- Both the ACP and individual to be appointed as an RI must also sign section 3 of Appendix A - Audit Experience Form (if required).
- Where necessary, we give guidance before the question. Please read the guidance before you complete the question. In these notes, the 'Act' refers to the Companies Act 2006.
- Please fill in this form electronically, using the TAB key to move from one answer to the next. The relevant sections can be signed with a digital signature. Appendix A can be completed and submitted in Word format. A proforma document can be found [here](#).
- If you submit a scanned copy of this application form, please also send us an electronic copy to allow us to scroll through any text you have added in your answers on this form.
- If you have any questions as you are filling in the form, please call +44 (0)1908 546 302.

POINTS TO NOTE

- In some circumstances, ICAEW staff will not have the delegated authority to make a decision on an RI application and it will therefore have to be referred to the ARC to consider. This could result in conditions and/or restrictions being placed on the granting of RI status (please refer to Appendix A for further guidance).
- If you are a member of more than one professional body, it is your responsibility to ensure that you comply with the rules of each body particularly in relation to practising certificate requirements and ongoing eligibility.

5 INTERNATIONAL EDUCATION STANDARD (IES) 8, PROFESSIONAL COMPETENCE FOR ENGAGEMENT PARTNERS RESPONSIBLE FOR AUDITS OF FINANCIAL STATEMENTS (REVISED)

Under IES 8, professional accountants performing the role of an engagement partner responsible for audits of financial statements are required to undertake CPD that develops and maintains the professional competence required for this role. In considering your application for RI status, we will assess your record of CPD carried out in the last 12 months (and audit experience form, if required) against the competencies required under IES 8. We may ask you to provide more information.

If you cannot provide evidence that you have met the IES 8 competencies your application may not be successful, or may only be approved subject to conditions.

Please confirm that:

- | | |
|---|-----|
| a. You meet the specific competencies required of an engagement partner responsible for audits of financial statements as set out in IES 8; and | YES |
| b. If your application for RI status is approved, you will continue to meet these competencies through your ongoing CPD training plan. | YES |

Background note

IES 8 is an education standard issued by the International Federation of Accountants' (IFAC's) International Accounting Education Standards Board (IAESB). IFAC is a global standard-setter for the accountancy profession and ICAEW is a founder member body of IFAC. IFAC has issued a suite of standards in the fields of auditing, education, ethics and the public sector. ICAEW - as with other UK recognised supervisory bodies for audit - has a membership obligation to promote compliance with these standards, including IES 8. The appropriate compliance juncture with regard to IES 8 is when an individual and their firm are applying for RI status.

The full text of IES 8 may be viewed on IFAC's website: [IES 8, Professional Competence for Engagement Partners Responsible for Audits of Financial Statements \(Revised\) | IFAC](#)

Support materials from IFAC on IES 8 may also be viewed here: [IAESB Staff Questions & Answers Publication | IFAC](#)

13 SIGNATURE AND CONFIRMATION OF AUDIT COMPLIANCE PRINCIPAL

- The Act requires auditors to be 'fit and proper' to carry out audit work. A firm appointing an individual as an RI must be satisfied, and confirm to ICAEW, that the individual is fit and proper.
- If a firm has any doubts about the fit and proper status of the individual to be appointed, please call +44 (0)1908 546 302 for advice.
- A 'Yes' answer to any of the questions in section 12 will not automatically result in an individual being refused RI status. The Audit Registration Committee may, however, wish to make further enquiries before reaching a decision.
- If the Audit Registration Committee subsequently finds out about any matters which a firm or the individual did not disclose, this will be viewed very seriously. It could jeopardise the individual's RI status.

I certify that, to the best of my knowledge and belief, the information in or provided with this application is a true and accurate statement of the firm's and the individual's circumstances.

I confirm that the individual named in this application:

- has been proposed as an RI by me in my capacity as ACP of the firm whose name is given in section 1;

- is fit and proper to be a responsible individual; and
- will not act as an RI until the firm has received formal notification from ICAEW that this application has been approved.

If this application is approved, I undertake that the individual will, at all times, be required to comply with the Audit Regulations.

I understand that none of ICAEW, its officers, staff, members of its Council or committees, or a monitoring unit or the competent authority or its staff, can be held liable in damages for anything done or not done in dealing with any of the functions connected with registration under the Act or under the Audit Regulations or enforcing the terms of either or the monitoring of compliance with these regulations in any respect, unless the act or omission is shown to have been in bad faith.

APPENDIX A - AUDIT EXPERIENCE FORM

PLEASE NOTE THAT FOR EASE OF COMPLETION, SECTION 1 OF THIS APPENDIX IS AVAILABLE IN WORD FORMAT [HERE](#). THE WORD VERSION CAN BE COMPLETED AND SUBMITTED ALONG WITH THE COMPLETED, DIGITALLY SIGNED APPLICATION FORM.

You must complete this form if you:

- have not previously been a responsible individual (RI);
- ceased to be an RI more than six months ago; or
- currently hold RI status but have not been responsible for any audits in the last 12 months; or
- held RI status in the last six months at a firm whose supervisory body was not ICAEW.

Insufficient Experience

If the application is considered by the Recognised Supervisory Body's (RSB) registration committee and the committee has any concerns regarding the sufficiency of your audit experience, the application **may** only be approved subject to conditions and/or restrictions. This **could** include:

- external/internal hot or cold file reviews
- notifying the committee when audit appointments are accepted
- providing future completed CPD details

Alternatively, if the committee rejects your application due to your inexperience, then you may be asked to gain further relevant audit experience before reapplying.

1 AUDIT AND FINANCIAL REPORTING EXPERIENCE

For the RSB to properly consider your application you must provide evidence to demonstrate that you have recent, relevant and sufficient audit experience at a sufficiently senior level of authority to be competent to conduct audit work. Using the following table, please give details of examples of recent audit engagements that best demonstrate your audit and financial reporting experience and seniority. You should aim to provide details of at least 10 audit engagements carried out during the last 24 months. However, we recognise that there is a wide range of individual circumstances where this will not be possible and if this is the case, please provide as many examples as you can in section 1 of this form, and provide an explanation of your circumstances in section 2.

Please ensure your examples are relevant to the audit work you intend to conduct as an RI. We may ask you to provide further information or additional examples to help us assess your experience.

Please note that we do not consider Solicitors' Regulation Authority Accountants Reports, internal audit, CASS reports and agreed upon procedures work to be audit work as defined by the Audit Regulations.

Your examples should demonstrate that you have the professional competence expected of an RI and that you have achieved the IES8 competencies which are set out in section 4. If you cannot provide this evidence, your application may not be successful, or may only be approved subject to conditions. The information should be provided in date order (most recent first). Continue on a separate sheet if necessary.
