About International Standards

International Standards is a corporate subscription service from ICAEW that gives accountants and other finance professionals the know-how to successfully implement international standards in accounting, auditing and ethics.

ACCOUNTANCY IN A GLOBAL WORLD

In today's highly competitive and globalised business environment there is an increasing drive to adopt internationally-recognised standards in accounting, auditing and ethics.

International Standards supports professional member bodies, international businesses, accounting firms and networks. The flexible corporate subscription enables your members/employees to access premium technical content, both online and delivered straight to their inbox.

ICAEW understands the challenges organisations face when operating in many different contexts and jurisdictions, so you can trust International Standards to provide timely, relevant and practical online solutions.

Highly accessible, efficient and cost effective, International Standards will help ensure that your members/employees continue to work to the highest professional, technical and ethical standards.

PARTNERING WITH ICAEW

Provided under a corporate agreement, we work with your organisation to complement or supplement your CPD and technical offering.

Under the agreement, your members/employees become subscribers to our industry-leading technical resources and guidance. They can access this wherever and whenever they need, so they can keep informed and up to date with developments in international standards.

ICAEW's genuine partnership approach demonstrates our commitment to strengthen the global profession and our vision to work towards a world of strong economies. With ICAEW's Royal Charter, you can be assured we are well aware of our responsibility to act in the public interest and to provide the highest quality information, resources and advice.

World-class technical resources

International Standards brings together ICAEW's depth of resources on implementing international accounting, auditing and ethics requirements, harnessing our expert knowledge to curate and distil the latest information, resources and advice. It all comes together in the form of a convenient and user-friendly online portal, giving you access to exclusive material, technical and practical resources.

Subscribers to International Standards receive access to a range of technical content, including:

ACCOUNTING

- International Financial Reporting Standards (IFRS) factsheets providing practical and timely guidance on IFRS.
- IFRS Standards Tracker, identifying which version of the standard is applicable to a particular accounting period.

AUDITING

- International Standards on Auditing (ISAs) good practice guidance and resources.
- Tools to help perform assurance engagements.

ETHICS

- Case studies for accountants in practice and business, helping resolve ethical dilemmas.
- Summaries highlighting new requirements and proposals.

PROFESSIONAL DEVELOPMENT ON-DEMAND

- Webinars and recordings providing information on new requirements or amendments to standards.
- Articles dealing with practical implementation issues.
- Monthly e-bulletin highlighting the latest resources in International Standards.
- Thought leadership on topical areas, industry commentary and expert guidance.
- Technical updates, highlighting news and developments from standard setters.

SUPPORT YOU CAN TRUST

The Hong Kong Institute of Certified Public Accountants recognised a growing need among its members for additional technical resources:

'Our members were seeking additional technical assistance on ISAs, audit quality and ethics, and we wanted a trustworthy online solution, hence we chose to work with ICAEW to gain the support and resources our members required. We agreed the number of subscribers, our institute incurs the cost and we offer subscription free of charge to our members as part of our membership offer.'

Chris Joy

Executive Director, Hong Kong Institute of Certified Public Accountants
