Property, Plant and Equipment – Proceeds before Intended Use, Amendments to IAS 16

Once filled in, this form should be submitted by 7 September 2020 using the 'Comment publication link' available at the bottom of the respective news item. All open consultations can be found on EFRAG's web site: Open consultations: express your views.

EFRAG has been asked by the European Commission to provide it with advice and supporting material on *Property, Plant and Equipment – Proceeds before Intended Use, Amendments to IAS 16* ('the Amendments'). In order to do so, EFRAG has been carrying out an assessment of the Amendments against the technical criteria for endorsement set out in Regulation (EC) No 1606/2002 and has also been assessing the costs and benefits that would arise from their implementation in the European Union (the EU) and European Economic Area.

A summary of the Amendments is set out in Appendix 1 of the accompanying *Draft Letter to the European Commission* regarding endorsement of the Amendments.

Before finalising its assessment, EFRAG would welcome your views on the issues set out below. Please note that all responses received will be placed on the public record, unless the respondent requests confidentiality. In the interests of transparency, EFRAG will wish to discuss the responses it receives in a public meeting, so it is preferable that all responses can be published.

EFRAG's initial assessments, summarised in this questionnaire, will be updated for comments received from constituents when EFRAG is in the process of finalising its *Letter to the European Commission* regarding endorsement of the Amendments.

THE EUROPEAN PUBLIC GOOD

3 In its assessment of the impact of the Amendments on the European public good, EFRAG has considered a number of issues that are addressed in Appendix 3 of the accompanying Draft Letter to the European Commission regarding endorsement of the Amendments.

Improvement in financial reporting

EFRAG has identified that in assessing whether the endorsement of the Amendments is conducive to the European public good it should consider whether the Amendments are an improvement over current requirements across the areas which have been subject to changes (see paragraphs 3 to 4 of Appendix 3 of the accompanying Draft Letter to the European Commission). To summarise, EFRAG's initial assessment is that the Amendments are likely to improve the quality of financial reporting.
