# **Application for (full/partial) insolvency licence**

(AND FOR A NON-MEMBER TO BECOME AN INSOLVENCY AFFILIATE)

To ensure we have all the information we need to process your application, please ensure you are completing the latest version of this form. The most up to date version is linked from icaew.com/regulatoryapplications, or please email insolvency@icaew.com for a copy.

We aim to provide a decision on your application as soon as possible. This is usually within 8-12 weeks of receiving a fully completed application form and all supporting documentation.

Under insolvency legislation, insolvency licences can only be issued to individuals. If you are not an ICAEW member, ICAEW can authorise you to conduct insolvency work if you also become an affiliate of ICAEW. You must be able to satisfy the Insolvency Licensing Committee that you are a fit and proper person to be granted insolvency affiliate status before the committee will consider your application for an insolvency licence.

If you supply all the information we need with your form, we aim to process your application within six weeks.

- a. Please read the *Insolvency Licensing Regulations and Guidance Notes* before you complete each question.
- b. Fill in this form electronically, using the TAB key to move from one answer to the next. Sections 4, 6 and 7 can be signed with a digital signature. Alternatively, save your completed form to your computer, print a copy and sign sections 4, 6 and 7. Then send it to the address at the end of the form or to insolvency@icaew.com (and we will contact you by phone to take your payment).
- c. If you need more space for an answer, please attach additional sheets.
- d. If you have any questions as you fill in the form, please call +44 (0)1908 546 302. This may avoid delays in processing your application.

If you are seeking to move your authorisation from another authorising body, you should make sure we receive your application in sufficient time for us to process it before your existing licence expires. You cannot act as an IP if your licence expires and you have not yet been issued with another one.

DD MM Y

I certify that the details given on this application are correct and that I know of no reason why I should not be considered a fit and proper person to be a licensed insolvency practitioner.

I undertake to comply with ICAEW's *Insolvency Licensing Regulations and Guidance Notes* and I accept that ICAEW is entitled to communicate to any recognised body or relevant authority within the meaning of the Insolvency Act information which appears to be relevant to the discharge by that body or authority of its powers or duties under that Act.

Such transfers may arise both during the period of a licence or after a member has ceased to be authorised.
